Taupo-nui-a-Tia College
2027 Year 9 Option Selection

Student Name: .....

	Subjects
Compulsory	Mathematics
	English
	Social Studies
	Science
	HPE

Every student in Year 9 will study English, Mathematics, Science, HPE and Social Studies all year.

All students will be required to select two Technologies, an Art, and a Language. We also have a full year Te Reo Maori option that encompasses Art and a Language. Please choose which subjects you would like to study from these faculties below. Use **1** for your first choice and **2** for your second choice (3 for a back up in Technology), in each of the three faculties below (Technology, Languages and Arts)

For example, in Technology, **1** might be Digital Technologies and **2** might be Fashion and Textiles, **3** may be a ***back up*** in Electronics.

Every endeavour will be made for you to receive your first choice in each faculty area and where this is not possible, we will use your second choice (and 3rd in Technology).

	Subjects			Subjects	Select 1 + a backup
Compulsory	Mathematics		Languages	**French**	
	English			**Spanish**	
	Social Studies			**Te Reo Maori (Semester)**
