

Taupo-nui-a-Tia  
College 2018  
Tauponapona Issue 59

Name: Justine Abella  
 Nickname: Justine  
 Known for: Being the shortest person in year 13  
 Probable future: Oral health therapist  
 Quote: Only here for the tea then I'll graduate.

Name: Kyla Grace Allen-Jennings  
 Nickname: Ky  
 Known for: Being opinionated  
 Probable future: The Rainbow Warrior  
 Quote: "ah well"

Name: Paris Baker

Name: Mykayla Barnes  
 Nickname: Mykayla  
 Known for: Sobriety  
 Probable future: Rich Range Rover mum  
 Quote: I love English

Name: Eilish Barrett  
 Nickname: Relish  
 Known for: Most Likely to have a Trophy Husband  
 Probable future: Physiotherapist  
 Quote: It's Eilish not Eilish or Eilish.

N: Gyle Bascon

Name: Lilly Battell  
 Nickname: Lilly  
 Known for: Eccentricity  
 Probable future: Architect  
 Quote: Is that the best you can do?

N: Gursavik Bisal

N: Johnson Bishop

N: Keita Bowden

N: Megan Brake

N: Briar Burnett-Grant

Name: Jacob Caldwell  
 Nickname: Baymax  
 Known for: South African impersonator  
 Probable future: Teacher  
 Quote: As long as I have Mrs Lamprecht, I'm happy

N: Niamh Campbell

Name: Harli Cherrington

Name: Jack Childs

Name: Danielle Clunie

Name: Emily Rose Clunie  
 Nickname: Em  
 KF: Option 1  
 Probable future: Somewhere in the medical field or optometry.  
 Quote: "If you're too open-minded, your brains will fall out." ~Lawrence Ferlinghetti

Name: Sophie Collett  
 Nickname: Soph  
 Known for: Being ranga  
 Probable future: RICH as heck celeb makeup artist  
 Quote: IM NOT RANGA IM STRAWBERRY BLONDE!

Name: Sarah Rina Cook  
 Nickname: Reens  
 Known for: Being tired  
 Probable future: Sleeping  
 Quote: I'm tired

N: James Cork-Peters

Name: Joseph Coulter

Name: Joseph Darge  
Nickname: Joseph  
Known for: Coming to school I guess, idk  
Probable future: Engineer  
Quote: Yeet bye

Name: Natalie Amabel Dawson  
Nickname: Dawson  
Known for: Horsey one!  
Probable future: Good cop!  
Quote: "If idiots could fly this place would be an airport"- maccas fam

Name: Jivades Nadera Despojo  
Nickname: Badis  
Known for: The guy who talks and laughs really loud  
Probable future: Some science thing  
Quote: Life is a major pay to win game-which sucks, but at least we get to play it.

Name: Maike Ebert  
Nickname: Meaiky  
Known for: Being punctual  
Probable future: Permanent NZ resident  
Quote: "Is that how you pronounce your name?"

Name: Rhiane Edwards

Name: Jordyn Farries  
Nickname: Jordy  
Known for: Yet to be determined  
Probable future: Bad Cop  
Quote: My career plans were way more exciting when I was 5

N: Matthew Farrow

Name: Ruby Flight  
Nickname: Rubz  
Known for: Getting all the boys  
Probable future: Quitting uni and becoming store manager at burgerfuel

Name: Aidan Folger  
Probable future: Engineering and sustainable energy  
Quote: "Two things are infinite: the universe and human stupidity; and I'm not sure about the universe." Albert Einstein

Name: Tiana Foua

Name: Kataraina Lydia Fredricksen  
Nickname: Kat  
Known for: Umpiring hockey  
Probable future: Chiropractor/Olympic umpire  
Quote: Talent only gets you so far

N: Benjamin Frei

Name: Michael Gardner

Name: Miriama Gualofa

Name: Jonty Griffin  
Nickname: Jonts  
Known for: Skipping calculus and doing lighting  
Probable future: Doing lighting  
Quote: Don't follow your dreams, follow my Instagram. @griffin\_the\_3rd\_

Name: Joshua Grimwood  
Nickname: Grimwood  
Known for: Knowing to many people  
Probable future: Something creative  
Quote: Set a goal and aim higher

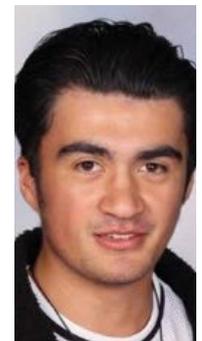

Name: Ben Hall

N: Danielle Hansen

Name: Michael Head  
Nickname: "Captain"  
Known for: Flips. Biggest legend. Muscles  
PF: Astrophysicist  
Quote: Water is afraid of drowning in me. I also killed two stones with one bird.

Name: Davaan Raniera Cairo Henry  
Nickname: Big Doi  
Known for: Being an alcohol connoisseur  
Probable future: Undecided  
Quote: Shout out to my dad for abandoning me

N: Keely Rose  
 Takotowai Hohaia-Webb  
 NN: Keels  
 KF: Being the most likely to become a Trophy Wife 2018 and complimenting people  
 PF: Lawyer  
 Q: Don't be a ...

Name: Ella Hutchings

Name: Cameron Ingram-Clark

N: Amelia Jensen

Name: Jakob Jensen  
 Nickname: Minucky  
 Known for: Sayings, silver bullet  
 Probable future: Architecture  
 Quote: Get

Name: Zac Johns

Name: Coen Johnston  
 Nickname: Boen  
 Known for: Being stress free  
 Probable future: Doin cashies  
 Quote: "Hey you, finally awake. You were trying to cross the border right?"

N: Thijs Johnson

N: Faye Jollands

Name: Ava Jordan  
 Nickname: Can't really have a nickname with only 3 letters  
 Known for: Art and laughing at everything  
 Probable future: Something in the arts  
 Quote: Ahahahahahahaha

Name: Hilary Keir

Name: Kaitlyn Knight  
 Nickname: Kizza  
 Known for: Being cradle snatched  
 Probable future: Blacked out  
 Quote: I'm so random, I can't believe I just did that

N: Ethan Knight-Reardon

Name: Mikael Konigsberg

Name: Lochie Lawson Jones  
 Nickname: Lochness  
 Known for: Acting and stuff  
 Probable future: Dead bro  
 Quote: Did you ever hear the tragedy of Darth Plagueis The Wise? I thought not.

N: Melody Linder  
 NN: Melonayse  
 KF: Being an annoying sad boy but also fun and awesomely cool  
 PF: Crazy cat lady  
 Q: Don't mess with me, I have the power of god and anime on my side!

Name: Daniel Martin  
 Nickname: Dan  
 Known for: Spending too much \$\$ on clothes  
 Probable future: Engineer  
 Quote: Life is hard, but not when you're the best dressed year 13.

N: Ethan Martin

Name: Kristin McClune  
 Nickname: Kristin  
 Known for: Friendly persona and dependable  
 Probable future: Dental Hygienist  
 Quote: "Always remember; the glass is half full"

N: Samantha McCutchan

N: Jordan McDonald

N: Josh McDougall

N: Cole McHale

N: Jamie McLachlan

N: Campbell McLean

Name: Osharna Melling  
Nickname:  
Osharna Mellon  
KF: Not knowing how to pronounce or spell my name  
Probable future:  
Being a famous tik toker  
Quote: Our whole year group is awesome x

Name: Rylee Mexted  
Nickname: Ryz  
Known for: My Hindis laugh  
Probable future:  
The next Megamind  
Quote: "That's the tahi"

N: Ethan Milne

N: Callum Moffit

N: Daisy Morgan

Name: Euan Mowat  
Nickname: UE  
Known for: Leading the best house  
Probable future:  
Blue House Mentor  
Quote: If you can, you're doing better than Ben.

N: Jurnee-Therez Raenelle Courtnee Murray

# Acknowledgements

This could have been a contents page and I might have argued that such a thing in a school magazine is surplus to requirement as it's the type of document to be flicked through on first receipt and then, hopefully, later nostalgically when stumbled on years hence. But equally true would be that there was the usual pre-deadline rush and I didn't want to give myself yet another thing to be revising at the last minute as pages changed.

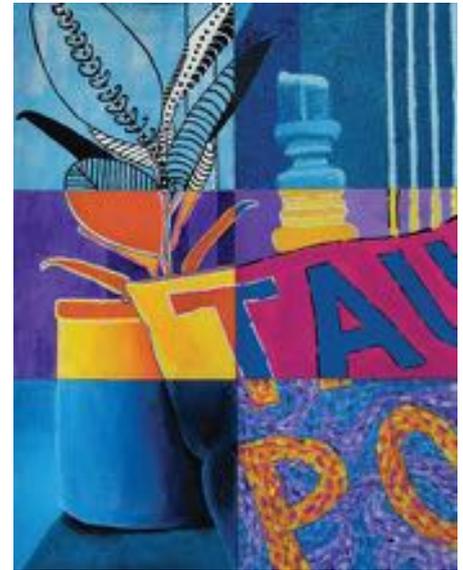

I would like to thank the two immediate previous editors/compiler of Tauponapona – Fiona Primrose and Catherine Fraser - for keeping the magazine going in the absence of real student involvement in the production process. This is a situation I would like to rekindle. So far it is more a squib of an idea than anything generating real heat. If there are mistakes I accept responsibility. If there are some major school events missing, then we must all try harder next year to get organised earlier. If the quality of the writing is patchy, I hope next year's student and teacher contributors will strive to regard inclusion in this journal of record as not just 'another thing to have to do' but rather an opportunity to showcase their command of language.

If an area of endeavour at this school missed out – it is a salutary lesson that sometimes a deadline is a deadline. No one was physically injured, there was no damage to property – the hot flush of shame and pangs of regret may be the spur to prick the sides of intent and the whip that stripes the rump of delay. Verba volant, scripta manent (Spoken words fly away, writings remain)

For their assistance in helping produce this magazine, well-deserved thanks must go to: Sarah McNeil, Stephen Sutcliffe, Lauren Taylor, Fiona Primrose, Josh Grimwood, Lawrence Corre, Josh McDougall, Kyla Allen-Jennings, the student and teacher contributors, the nascent magazine committee (Momo Ishikawa, Amelia Knox, Amelia Dale, Grace Hilton, Morgan Thaker, Nerys Hall - have faith, you will be more involved next year). I would also like to thank Michael Drake, Shani Vartan, and Susan Henry.

# Principal's report

This year we have celebrated the many and varied achievements of the students of Taupo-nui-a-Tia College. Some students have started to develop their potential and are excelling in their particular field be it the arts, sport or academic pursuits. Others might not realise the potential they have and will have a number of false starts before they find their calling.

At Senior Prizegiving we had two performing artists as guest speakers (Awhimai Fraser and James Tito). I will use Alan Rickman's journey to becoming a famous actor as an example of this. He did an Arts degree because he was told that drama school wasn't necessarily the sensible thing to do at 18.

That led him to be a graphic designer. Rickman and other friends opened a graphic design studio. However, the call of acting is really strong, so he decided to drop the business and pursue acting professionally.

He supported himself by working as a dresser for other actors. He got his acting break when he was cast as one of the leads in the stage version of *Les Liaisons Dangereuse*. The play was a hit and made the leap to the big screen. Unfortunately, he was replaced by another actor, but he did get recognised by a producer on Bruce Willis' *Die Hard* movie. As a result, he got a lead role playing a German terrorist leader. This resulted in a whole series of movies and his passion and perseverance for acting served him well through the various roles he played. He was 42 years old when he took on the role of Professor Severus Snape of the *Harry Potter* series.

The learning from this story is it takes a lot of courage and resilience to pursue what your heart really desires. You have to give up security, convenience and even luxury at some point. You may be afraid of the possible outcome now, but don't let yourself regret in the future as to why you didn't try.

Some of the attributes outlined in Alan Rickman's story are included in the Taupo-nui-a-Tia College Graduate profile developed this year. As our students leave this college to an uncertain future we have recognised the need for them to be resilient, motivated, confident and critical thinkers. We also want them to have a sound set of values and be confident about their identity and culture.

In order to achieve the qualities listed we have to change the way the learning occurs in the school. Students need to be given opportunities to work collaboratively with a diverse range of people in different contexts. They need the opportunity to be enterprising, creative and curious and just as importantly they need the experience of learning through failure. Next year we move to 90-minute periods. This is an interim step before we move to cross-curricular courses for year 9 students in 2020. The feedback we have received from a range of other schools is that the extended period allows students and teachers the opportunity to explore topics and concepts in more breadth and depth. As one

teacher from a Thames Valley School, who was an initial sceptic of the idea said and I quote;

“Firstly, I know you are considering 90-minute periods and I can say that moving to 100-minute periods has been one of the best decisions our school has made. Overwhelmingly our staff and students are in support of 100-minute periods”

She continues by saying:

“My seniors LOVE the longer periods. We can get stuck into research, close reading etc and actually make significant progress with our assessments”

To complement the proposed changes to the curriculum we hope to have a new set of classrooms with flexible learning spaces that will enable team teaching and cross curricular collaboration

This year I took on the Lead Principal position for the Taupo Kahui Ako. This is a challenging role, but I strongly believe in the value of all the schools, local iwi and early child centres working together for the benefit of the young people in this community. This community is fortunate to have the goodwill of schools in the district along with some highly experienced Across School Leaders facilitating the Kahui Ako initiatives. Evidence indicates that this year's focus on writing has had a positive impact across the community. There is also considerable energy going into learning support, Maori achievement and ensuring seamless transitions between each phase of a child's educational

# Principal's report

pathway. The more work this community puts into identifying and addressing the learning needs of our young people as early as possible the more the Taupo Community will benefit.

Sadly, we have a long serving staff member leave us this year. **Liz Davis** leaves to go into the business world after 23 years at Taupo-nui-a-Tia College. Liz started here teaching Life Skills but developed into a very good teacher of Mathematics. She has also been the Principal's nominee and been the interface between the college and the New Zealand Qualification Authority.

I have appreciated Liz's support and guidance over many years along with her wicked sense of humour. Liz will certainly tell you in no uncertain terms when you get it wrong but her motivation for doing so is always with the school's best interest at heart.

**Eden Pirie** leaves to pursue more study and possible involvement in another area of education as does **Liz Ward**. **Cal Jackson** leaves to travel, and **Sarah Groome** leaves to join her husband in Opotiki. **Sarah McNeil** leaves us for a teaching position in Thailand. To all of those staff – thank you for your contribution to the life of the school and all the best for the future.

This school continues to produce graduates that achieve outstanding success in a broad spectrum of pursuits and it is always a pleasure to follow their progress and successes in the myriad of different pathways they take – this includes academia, sport, drama, politics, business or a chosen profession.

I would like to think that Taupo-nui-a-Tia College has played a part in preparing our young people for their future and at the very heart of this is our dedicated and hard-working staff. When you have our Year 13 Dean getting tearful about saying goodbye to her Year group after five years you know you have a staff that genuinely care about their students.

I would like to thank our staff for the work they do along with our support staff, Deans, Deputy Principals and Board members. All play a part in making Taupo-nui-a-Tia College a great place to be.

To our Year 13 students – I wish you all the very best for the future. Remember High School is like toilet paper – you only miss it when it is gone! I hope you leave here with many happy memories. Go out there and do great things!

# Head Students' Reports

## Kyla Allen Jennings

My years at Taupo Nui have been some of the best and worst years of my life. It feels as if everyone around me is the same. Each of us has been through this incredible journey over the past 5 years. We have learnt, cheered, cried, laughed, smiled and cried some more. There have been countless lows but even more highs. Our year group has changed and bonded in ways we never would have thought. We have all learnt so much about ourselves and the world throughout our Nui career. Each person that walks into Nui's doors, walks out a different person.

I think that is my favourite part about high school - the diversity and changes we all experience. Hundreds of people living out their individual storylines right next to each other. Some of us boys, some girls, some rich, some poor. Statistically, 1 out of 4 of us will deal with some form of mental health issue while at college. 1 in 3 will experience some form of assault in our lives. That always blew my mind - thinking the boy I brushed shoulders with in the hall has a completely foreign and intricate life around him - he could be a prince for all I know. We are all living out separate journeys that have somehow resulted in us being students at Nui. The details of each of our lives unknown to most. Yet we are all united as students of Taupo-nui-a-Tia. Our years here are a crucial five that everyone deserves to enjoy. Each of us should be allowed to develop in a comfortable and supportive environment. I believe Nui has helped me and countless others through these difficult years of adolescence and allowed us grow into productive young adults.

Taupo nui-a-Tia College is a great school. However, good there are still many places where we could improve. One which I was particularly passionate about but did not manage to change is the lack of plastic recycling at the college. I implore the current and future students of TNT to challenge the status quo. Challenge the things that the school, or any other organisation, isn't doing right. Don't be afraid to talk your teachers (respectfully) about what could be improved. Talk to senior management or whoever it is you need to in order to achieve what it is you want to achieve. Your voice as a young person is more powerful than you can imagine. People will listen to you because you're young. This is not only relevant in our school but also community, nation and world. Never underestimate what influence you can have. In a world driven by greed - positive influence is invaluable.

I can safely say that being Head Student is not all that it's cracked up to be. While I enjoyed my year overall, there were challenges. Keeping up with the workload and the commitments was a struggle. To those of you who may find yourselves in similar situations - be careful not to over commit yourself. Your wellbeing comes first. Your teachers, friends, parents will understand, just talk to them. Take care of yourself. If you can find a balance between work, life, and wellbeing you will have some awesome years.

I walk out of Taupo nui-a-Tia College a different person to the one I walked in. My five years here were entertaining and challenging and I have certainly enjoyed them. The athletics days, spirit weeks and tuckshop food are memories I will look back on fondly. Thirteen years of schooling has passed me by and now I must look ahead to the future. I have no idea where I am heading but am completely ok with that. The future is daunting. I wish you all the best in trying to make yours the best it can be.

## Johnson Bishop

Being named Deputy Head Boy of 2018 was, at that point, one

of the biggest achievements, honours and privileges of my schooling life. I have embraced the role day by day, setting the best example possible for my peers and the wider school community. I have thoroughly enjoyed having input into all things that go on in school

life and have definitely learned a lot about myself in positive and negative ways having to manage such a busy schedule this year with school, academic and sporting life. I can say making the most of all the opportunities provided to me through being a head student and all of my years at Nui has taught me invaluable lessons that I will no doubt take into 'the real world'.

It has been an absolute pleasure growing and maturing alongside my fellow year 13 students from day one of year 9 to now, and I can say I have met so many amazing people who I hope to remain very close to in later life. It has been amazing seeing all of my peers thrive and succeed in their years at the college and I can't wait to see what the future holds for all of us.

## Shaneece Brunning

The year of 2018. Where do I begin? It's been memorable, it's been challenging, It's been fun but most of all it's been a journey to remember. A journey not just about me but for all my year 13 friends and also for the school. From the day we year 13's set foot on the school grounds back in year 9, to the day we leave as year 13's, a piece of us will always remain at the school. From the times we tried to out chant each other, nearly losing our voices to the times where we covered each other's cars with the leftover jelly from spirit week. From relationships we've built with teachers to friendships we've built from primary to now. We are like one big happy whanau but as my fellow blue house mates say "Ohana means family and family means nobody gets left behind or forgotten."

I'm honoured to have been a part of the class of 2018. The bonds I've made this year have been stronger than ever. Knowing that this was my last year at school scared me but it also excited me to find out what the future holds. I'm forever grateful for the opportunities I've been given and the challenges I've been faced with. I'm forever grateful for the relationships I've built with my peers and teachers and to have spent my 5 years of college at Taupo-nui-a-Tia College. Through my eyes college has been like a roller coaster. I've had my highs and my lows but I've just gotta ride that roller coaster till the end. From my eyes of schooling wise, Nui was the place I wanted to be at. Knowing that my whanau went to school here and my aunty Nancy Brunning being head girl in her time of school here made my choice of picking TNT to be my school easy. Nui has given me so many opportunities, experiences and memories and I will never forget the people who helped me get to where I want to be. I'm also honoured to have been Deputy Head Girl for 2018. I have to admit it was a challenge.

(to page 12)

# Board of Trustees' Report

I feel very privileged to be Chairman of a dedicated, community focused and passionate Board. It's a strong group and one with a very healthy culture of constant improvement in all aspects of governance of our school. We work very hard to ensure that all involved in the College are collectively striving towards achievement of well-considered goals.

Of course, certain goals are set down in terms of academic achievement - and this is always the ultimate focus, but just as important to us, is the need to develop good character in our students, to empower them to actively participate and contribute in our community - locally, nationally and globally.

In our monthly meetings we monitor strategic leadership, set the vision for the school and ensure compliance with financial and policy requirements. We are a team with shared beliefs and values in the unique spirit of Taupo-nui-a-Tia. To my fellow board members, Lorraine Kerr, Sue Maclean, Matt Jensen, Kelly Owen, Kevin Insley, Craig Stephenson and Sue Henry, thank you for the time, vision, unique skills and good natured humour that you bring to the table.

I would like to acknowledge and thank Aidan Folger who has been our student representative on the Board for the last year. Aidan proved himself to be a very mature, committed and professional member. He has brought valuable student voice and discussion to the table and we wish him all the best for his promising future. We congratulate Scotty Cracknell on his success at the recent student elections and want to officially welcome him to the Board as our new student representative.

On the property front, we are currently working with the Ministry to build a new cluster of four classrooms to the north of the wharenui which we are hoping will be ready for use late 2019. The long awaited for Music Block has now been contracted with start of construction occurring over the summer. Special thanks to Rod Forrest for his efforts in driving these forward and the property sub-committee for their dedication and commitment to these projects.

The Board considers the staff to be the school's greatest asset in reaching our goal of increased student achievement. We continue to be extremely well served by our teachers, support staff, Heads of Faculty and Deans. The teachers play a tremendous role in the personal development of the students they teach. We thank you all for your dedication, energy and skill that you provide. For going above and beyond, taking a genuine interest, acting as role models and encouraging our teenagers with the enthusiasm and humour they deserve. I am constantly impressed with the level of commitment shown, to get our senior students ready for NCEA exams and to facilitate end of year activities.

We are very fortunate to have Peter Moyle leading our team as Principal. He is extremely approachable, hard-working, diligent and successful. He continues to go above and beyond, striving to bring the best outcomes for our students. Peter sets the tone, maintaining the spirit that is Nui, leading from the front, believing that people and relationships are the key to success and he is always looking for ways to make a positive difference. Thank you

Peter for your continued dedication to our youth and education both at Nui and with the leadership of our Kahui Ako, our Community of Learners. I also wish to take the time to thank our very capable and hardworking DPs, Brenda, Alistair, Cath and Richard. I have witnessed your tireless work behind the scenes, which consists of long hours and sometimes very stressful and difficult situations, your completion of often unrecognized and thankless tasks, but yet, you continue to act with professionalism and positivity, your continued support you provide to the Board and to Peter is very much appreciated.

On the subject of support - a huge thank you to Julz, our Board Secretary, who goes above and beyond to support us all. She keeps us all super organised and is famous for her lolly jar and the best homemade biscotti in town.

Farewell to all our teachers who are leaving us this year, but a special mention to Liz Davis, who has been a real backbone to our school. Thank you Liz for all your dedication over the last 23 years and especially for all your organisation and the hours you have given to the Performing Arts and NCEA areas. You will be truly missed, but we wish you well for your future endeavours.

To all the parents and caregivers, I wish to acknowledge the tremendous work you have done in getting your fabulous young people this far. I am very aware of the love, energy and encouragement, the hours of driving, support on the sidelines, your attendance at performances, motivational pep talks, heated discussions, large food bills and the sleepless nights that you have experienced to support and produce our beautiful next generation. The world our young people are growing up in is certainly a vastly different place than what we experienced when we were teenagers.

With the faster pace of life, our youth are now faced with way more pressures and challenges than we ever knew. Student well-being is definitely a key focus for us and it was wonderful to see all the student led activities over the year highlighting awareness in this area. To our Year 13s - class of 2018. I congratulate you for getting this far. Thank you for all that you have given to your school and for adding to the spirit of the College, and for your honesty, sense of duty, respect, kindness and compassion. Remember that you get out what you put in, so don't be afraid to work hard to reach your goals. Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle.

Hopefully you all feel proud of what you have accomplished while being at TNT for the last five years. We have heard from many past pupils who say that their college years were some of their best memories. So go forward, take the knowledge and experiences from your time here and start the next exciting chapter of your education, whether that be in the workforce, an apprenticeship, or tertiary study. We look forward to following your successes.

On a personal note, it is the end of an era for the Griffin whanau. With our youngest son Jonty leaving as a year 13, it completes 11 years that our family has been attending this great school.

## Board of Trustees' Report

**(from previous page)**

All our boys have been able to flourish in a school environment which offers a great range of academic, sporting and cultural opportunities.

We are super proud of Jonty, with all that he has accomplished, especially all the voluntary time he has given to the many groups he's been involved in, including lighting this stage tonight. My husband Ray and I want to say a sincere thank you to all the teachers that have inspired, motivated and supported our three boys during their time here. We are extremely grateful to you all and will take away many fond, fun and crazy memories of being a parent at Taupo-nui-a-Tia College.

Finally to all of our students - know that we're extremely proud of you and all of your achievements throughout this year. You should take this time to reflect on what you have accomplished and celebrate your own successes with pride. Your families are all extremely proud too. We wish you all the best for your upcoming exams. Enjoy your break over summer and keep yourselves safe. We look forward to seeing what wonderful possibilities 2019 can bring.

**Sharon Griffin** Chairman Board of Trustees

## Head Students' Reports

**(from page 10)**

At times I did doubt I could get the job done to the standard I thought to be. But despite my fear I took the role upon myself and from that day forward I have never stopped trying to be a better leader each day. Through my eyes I'm proud to say that I have made a difference and given hope and a chance to students within the school but especially a chance for a small community of Maori students.

I've given them hope, that it doesn't matter how popular or how academically or sporty you are at school.

It's about what your heart wants and giving it 120 percent of your effort, strength, courage and belief in yourself.

I'm proud of my achievements, I'm proud of my friends for making it this far.

Here's a whakatauki that I hold close to my heart: "Whāia te iti kahurangi, ki te tūohu koe me he maunga teitei" which means "Seek the treasure you value most dearly and if you bow your head, let it be to a lofty mountain". I would like to say thank you to everybody who has played a massive part in my life and the year 13's life and I wish the school all the best and good luck for the future. Aroha Mai.

# Staff notes

As usual, we welcomed a significant number of new staff at the beginning of the year. Two new maths teachers, **Lisa Birchenough** and **Cal Jackson** and three new science teachers, **Matt Bound**, **Lauren Strange** and **Michelle Lawson**, joined their respective departments.

**Paul Kemsley-Smith** joined the Technology Faculty and **Wayne Lather** and the duo of **Kris** and **Tracey Sainsbury** joined Health and Physical Education. On the Arts Faculty scene, **Sarah Groome**, formerly Sarah Gordon returned from leave.

Leaving this year is **Liz Davis**, who after 23 years at Nui, mostly as an Art Faculty member and Senior Manager, is going onto the next stage of her life to expand her business horizons. **Liz Ward** and **Eden Pirie** are moving on to explore other opportunities, and **Stephen Ross**, **Bevan Thompson** and **Sam Dearlove** are each taking a year's leave to have a break away for this particular educational coal face. The Arts Faculty is losing two of its teachers as Sarah Groome and **Sarah McNeil** are moving on to Opotiki and Thailand respectively. And from Maths, Cal Jackson is leaving to continue life's journey.

Fortunately for our future as educators, two teachers have had children this year thus helping in the long term to secure the future of society. **Haley Astwood** and her partner had a daughter, Audrey-Rose, and **Kiri Wilson** and his partner also had a daughter, Ivy. Congratulations and welcome!

On the Board of Trustees side, **Dave Forsyth** has retired after years of sterling service, and he has been replaced by **Kevin Insley** who we are very pleased to welcome. The new student trustee is **Scotty Cracknell**.

**Matthew Bound**

**Lisa Birchenough**

**Stephen Ross**

**Sam Dearlove**

**Liz Ward**

**Michelle Lawson**

**Tracey Sainsbury**

**Kris Sainsbury**

**Wayne Lather**

**Paul Kemsley-Smith**

**Sarah McNeil**

**Cal Jackson**

**Sarah Groome**

**Eden Pirie**

**Lauren Strange**

**Bevan Thompson**

# Staff notes

## Elizabeth (Liz) Davis

Liz joined our staff in 1995, after teaching at Taihape High school followed by Marlborough Girls College. She quickly established herself as a teacher who understood and related easily with teenagers, and before long she was well established as a maths teacher and later as a Senior Manager. In recent years she has also been the Principal's Nominee, in other words the official link between the school and NZQA.

Liz has a meticulous approach to administration, and rarely has she put a foot wrong. She enjoys the mixture and diversity of students at Nui, and has found the staff and the senior management team lively and stimulating. She comments that she has found our school to be a place where it is easy to speak up, and she has appreciated the good management systems and structures that were in place when she arrived, and she feels that systems such as we have result in good standards of behaviour.

Liz comments that she has enjoyed the clean and uplifting physical environment, with lovely gardens, good student lunch areas, and buildings constantly under improvement.

Liz has been a real asset to Taupo-nui-a-Tia College. Her ready laugh, her concern to do the right thing, and her care for her students have all made our school a better place, and we thank her for all her work as she leaves us to explore further business opportunities with her husband. We wish her well.

# Obituary - Ingulf Revfeim

Ingulf Revfeim, Physics Teacher and then Head of Science, staff member from 1968 to 1996, died this year.

He was an exceptional man who put his all into everything that he did. Together with his wife Val, he was an integral member of the Taupo Community and a key staff member of this school. Ingulf had standards. He was thorough, thoughtful and determined, and did his best for each of his students.

He was completely honest and without malice. He was a hockey coach for years, and had a very lively interest in music. In truth, he was a well-rounded man.

A good school is to a large extent the sum of the effort that good people - staff, students, board and parents - have put in to it over many years. Ingulf Revfeim certainly made his contribution. He is not forgotten.

# Winning Essayist

by Eleanor Adams (annual ANZAC day essay winner)

What is in a date? Every day we encounter another one.

28th July 1914, 25th April 1915, 11 November 1918...

For some, these are nothing but another 24 hours, as normal and mundane as the ones before it. To others, these may be days of celebration, a birthday or an anniversary perhaps, a time to celebrate with ones we love.

For us, these are days of remembrance. A chance to remember and reflect upon, not only the events which have contributed so much to our nation, but also our people. The people we commemorate on Anzac Day are those on whom the foundation of our national identity is built -- those whose loyalty and belief could not be hindered by fear nor their passion tamed by the daunting prospect of war. Those who fought for their nation with pride and diligence, unknowingly altering the course of our history. Fathers and sons, uncles and brothers, people like you and me who were brave enough to give up everything in the aspiration of one goal: freedom.

Though their bodies may have passed, their roles within history shall never be forgotten.

On this date, we also remember the women of the time, those who worked relentlessly to keep our country going in the absence of their partners; those who turned their tears into sweat and fought their own battles of grief. These women embraced great change whilst trying to raise their families on their own and support their men. They were women of all backgrounds who struggled to grasp the reality of the war in the trenches.

If not for these people, where would New Zealand be today? Would we still be yet to prove ourselves as a nation to the world? Where would our alliances lie? Our technological advances? Or international affairs? Would April 25th be yet another mark in the calendar without a second thought?

World War 1 has moulded who we are today: a nation that is brave in the face of challenge and perseveres when the odds are against us. We are people of resilience and loyalty - a trait which became evident in our unwavering support of our international allies in the war and in the bonds of

mateship forged in the trenches. Internationally, Australians and New Zealanders are still known for their ability to work hard and stand by each other in times of need. The effort and example of the fallen one hundred years ago have made us who we are today.

As we take this moment, to remember and pay respects to those who sacrificed themselves for the good of this country, we also reflect on the war itself and the

repercussions of such an event. As a new day begins, we reflect on their experiences with the hope, that never again will such a devastation touch our nation. ANZAC, however, is not merely about loss, it is about duty, endurance, loved ones and decency in the face of danger. May we, as a people, be able to learn from the past and move forward with the example and teachings of our ancestors in mind. Bob Carr once said, 'ANZAC Day is a day not of celebration but of national memory. It is a day when we learn, and learn again, the horror of purposeless war. It is a day for looking after your mates, cherishing your home, your neighbourhood and family. It is a day for realising how rare and precious this wonderful country of ours is.' So "at the going down of the sun and in the morning, we will remember them."

# Book Club

Each Tuesday our lovely regulars arrived armed with their latest reads. Some boring, some exciting, some disappointing and some excellent. The students have learnt to be honest about their reviews – ably revealing why the book just didn't hit the mark or absolutely smashed it! They are not shy of discussing the merits of the Authors' styles, their characters, whether the plot worked or not ...

Always interesting and fun. At the end of the year it's always sad to see our stalwarts go – especially when they've been a driving force of the club. Emily – Thank you for your time, your energy, and your insight. We will miss you hugely. All the best for your future!

**Our regular Book Club members, from left: Isabelle Treherne, Elisabeth Jollands, Liam Hastie, Emily Clunie (Yr 13), Emma Sutton, Maia Doig, Morgan Thaker with Mrs Murray.**

# Library Monitors

As usual, the school was blessed with a lovely group of volunteer library monitors. Thank you for all the hours that you have worked this year.

Ms Andrews and I appreciate you clearing the returns box every day, issuing books, shelving and tidying up the tables. It makes our job a lot easier.

We are pleased to see that most of the monitors that joined at the beginning of the year have stayed on until the end. Hopefully we'll see most of you again next year.

Good luck to Jeremy and Emily who are moving on – many thanks for your years of service – we will miss you both. We know you will be successful whatever you choose to do.

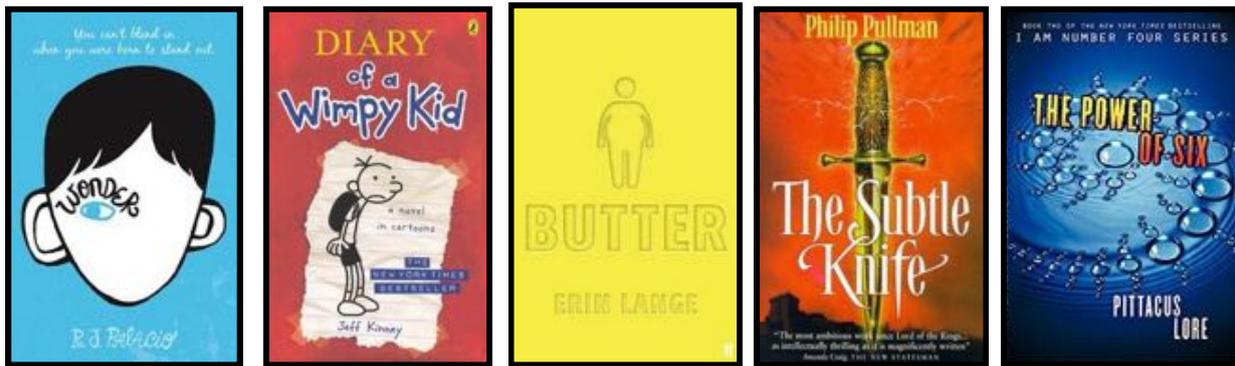

**Mrs Murray**

**Standing (from left): Ella Knight, Amelia Dale, Jeremy Stokes (Yr 13), Mila Arnold, Emilee Grimwood, Annelise Donald, Zoe Hanford, Matthew Stokes, Evelyn Hall.**

**Sitting (from left): Isabelle Treherne, Elisabeth Jollands, Liam Hastie, Emily Clunie (Yr 13), Emma Sutton, Maia Doig, Morgan Thaker. Absent: Grace Hilton, Ella Brown**

## Most Popular Fiction Books of the Year

The most popular genres this year were Fantasy and Real Life issues — “Wonder”, “Diary of a Wimpy Kid”, “Butter”, “The subtle knife” & “The power of Six” being the 5 most read books in the library. Overcoming adversity, on the whole, being the most popular theme. Quite a few of the books that were read this year became popular because they were made into movies. “Annihilation”, “Love, Simon”, “A wrinkle in time”, Ready player One” and “Beautiful Boy” to name just a few. It’s still good to hear that for most of them the book is still better than the movie :-).

## Most Popular Graphic Novels of the Year

Graphic Novels are still very popular .. The Manga-type comics still being devoured in their hundreds! There has been a resurgence of interest in the old classics thanks to their adaptation to Manga-style graphic novel format. A few of the students have then been brave enough to tackle them in their original format. Another great example of the importance of graphic novels. It’s often a bridge between non-reading and a full-on love of reading. Many of our beloved authors, both of Adult and Young Adult literature, recount in their biographies the excitement of waiting for their favourite comics to come out each month. It was often the catalyst for them to start imagining and writing ..

Chess is still played in the library every day and the Club is now being run by Mr Stephen Cowley. As usual the boys have performed well at our local competitions. Well done to you all—and thank you Mr Cowley for spending so much of your free time teaching them the nuances of the game. We appreciate your input.

We have had many informative & fun displays in the library this year.. ranging from World Water Day, Which dog belongs to which staff member, Study posters, Authors of the week, Samoan language Week, Bullying, etc. The most popular one was the Suffragette display to celebrate the 125th year of women achieving the vote in New Zealand. The mannequin rather freaked people out :-)

We have greatly extended our range of bookmarks this year. Not only are there genre bookmarks but also laminated bookmarks with quotes about life and books.

A group of students has been battling it out playing “ Magic: the gathering“ all year ..

Also, throughout the year, we have left puzzles out to be built on one of the coffee tables. At most times of the day, students either singly or in huddled groups, can be seen pondering the next placement .. A good way to relax but still keep the brain ticking over ..

# Zenith

by Poppy Thurston

A gavel, a wooden spoon, a lectern and a 7am start; no better way to start your Thursday. Established in 2003 by Powertalk international president Hilary Brown, Zenith is a public speaking club offered at Taupo-nui-a-Tia College. Every Thursday, at 7:15am a group of approximately 25 students meet to develop their speaking, listening and leadership skills through the completion of practical assignments. Assignments range from workshops and oral readings to powerpoints and impromptu speeches that can be used to attain up to 5 levels of internationally recognised accreditation. In addition to this, members are given the opportunity to evaluate their peers, providing constructive criticism and positive feedback to facilitate constant improvement. Zenith is an inclusive environment, welcoming individuals of all speaking abilities. In the last year we have seen considerable growth in the confidence and skill of our younger members as they progress through their personalised program.

## Active participation

Every second week, we hold a business session at the beginning of our meeting lead by students in office holding positions. This is a great opportunity for students to become familiar with the processes of this formal setting through active participation and discussions. The 'highly' sought

after office holding positions for 2018 have included, Jonty Griffin as President, Katie Donald as Vice President, Hanna Kilmister as Secretary and Poppy Thurston as Treasurer.

## Talk it up

Students are given freedom to talk on topics of their choice, which allows for a uniquely entertaining session each week. This year we have learnt to fold a fitted sheet, had our very own addition of the Hunger Games, endured pig latin and much more.

## Scholarship

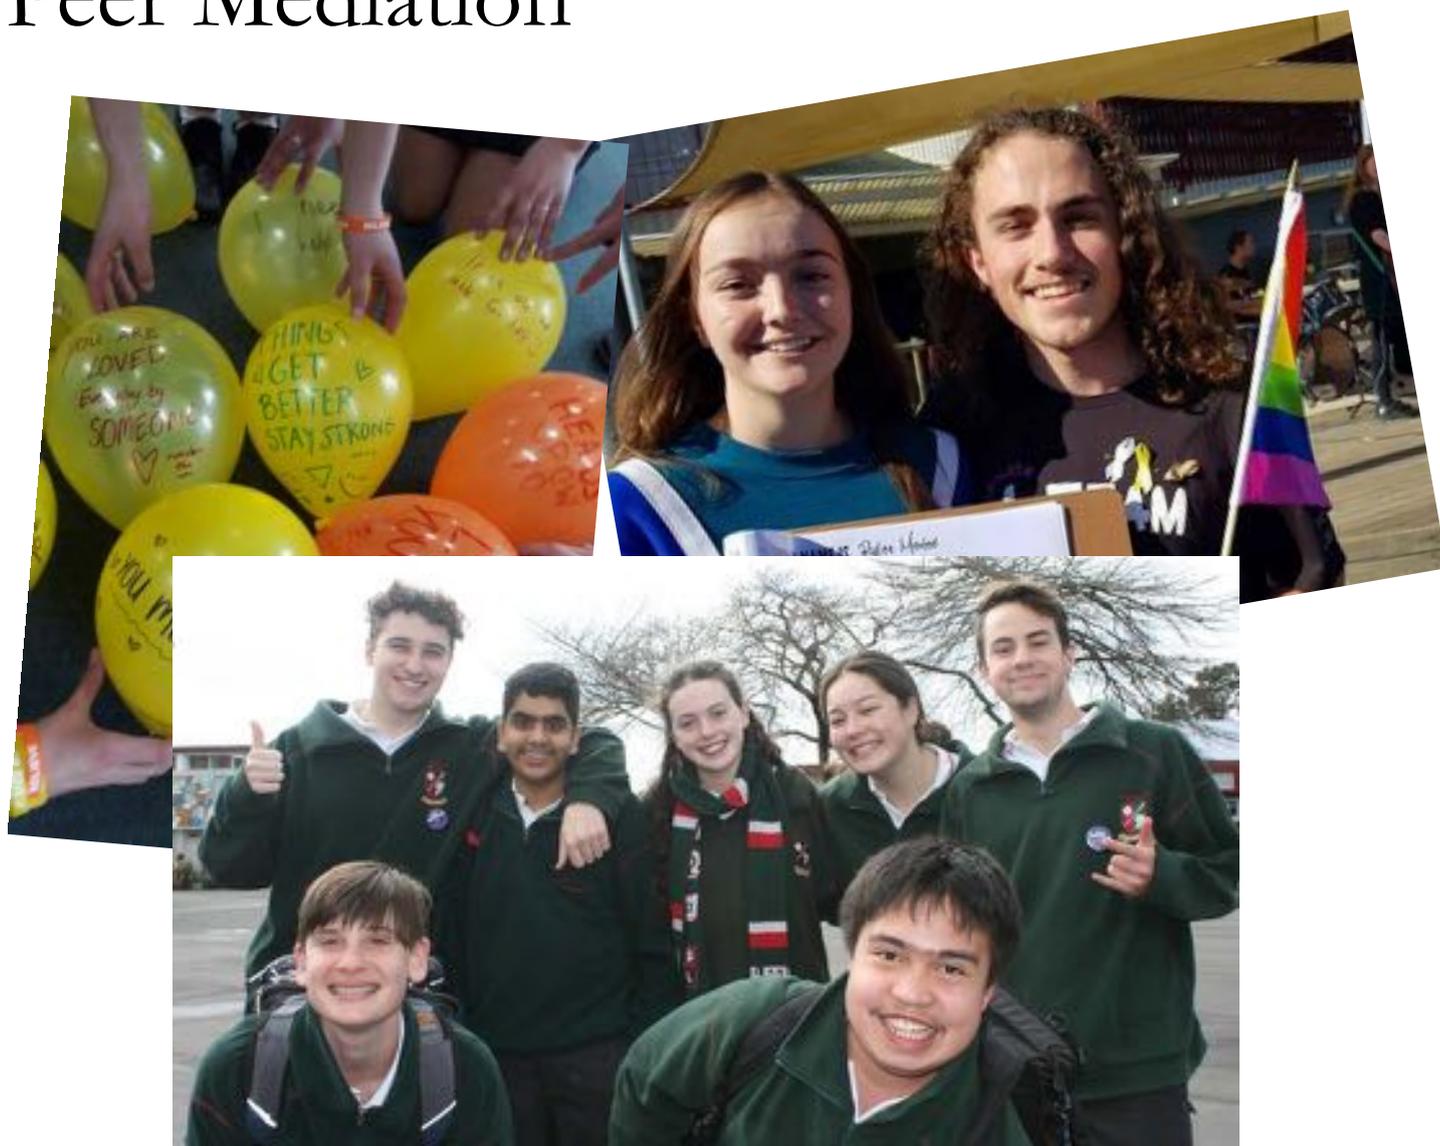

Each session, recognition is given to the best speaker, best evaluator and best table topic participant. The student with most awards, receives a generous scholarship at senior prize giving. This prize was donated to honour the memory of Hilary Brown and the significant contribution she has made to Zenith. Last year it was won by Lauren Hughes.

We are excited to see Zenith grow in the coming years, so if you're interested in developing your communication skills or are simply curious to see what it's all about, keep an eye out in the notices next year for information regarding our first meeting.

**ABOVE: Katie Donald and Amber Lafferty.

# Peer Mediation

**TOP:** Rhylee Mexted and Matt Connon. **ABOVE:** TNT's Peer Mediators (back from left) Samuel Dunstall, Sameer Sethi, Ella McQuilkin, Julia Onishi, Thomas Bishop, (front from left) Sam Hopkins and Shane Gregory.

by Hilary Graham

This is the second year Taupo-nui-a-Tia College has been involved in the Leadership through Peer Mediation programme with the Peace Foundation.

The team of trained mediators are a credit to the College and the Peace Foundation who provide superb training. The team are skilled and motivated to share their skills to support students in the College but were noticing referrals for the mediation service was slow.

As a part of the College Wellbeing focus it was decided students needed to be actively and readily accessible to other students who wanted to chat.

These students needed to have skills and confidence to talk with other students in a supportive manner yet know clearly their own boundaries regarding safe conversations and when to ask for help.

It was clear the trained peer mediators already had skills in this area and they have volunteered their time during lunchtimes on a 'duty' roster to be available in the quad for any students wanting to chat face to face. Their daily presence promotes the College's Cornerstone Values - importantly respect, consideration and concern for others and kindness. They also promote fairness and watch out for harassment and bullying - creating a safe inclusive culture and helping students get the help they need.

Our mediators together with other school leaders also participated in training offered by a local family service to support and further develop their skills for these important conversations with young people who could be experiencing significant distress.

The 'hope ambassadors' understand the importance of a listening ear, asking the 'are you ok' question and supporting young people to ask for help and get the help available.

# Duke of Edinburgh Awards

Happy Trampers, from left: Katie Donald, Clair Brown, Hanna Kilmister

Every year Ms Marshall manages up to 40 students participating in activities designed to help them gain Duke of Edinburgh Award honours. In this report Hanna Kilmister recounts the highs and lows of a Year 10 expedition that doubled as a silver qualifier in December 2017.

As my Duke of Edinburgh qualifier tramp I did the Queen Charlotte track in the South Island as part a school camp. We began on Sunday the 26th where we had an early morning start and drove down to Wellington. Arriving earlier than expected we had a quick tour around the "Beehive" (Government house). Then we caught the Ferry from Wellington to Picton. When we arrived we unloaded our gear and carried our daypacks to the backpackers. The backpackers we stayed at was lovely and wasn't that far away. We made spaghetti and meatballs for dinner and had a complimentary chocolate pudding and ice cream which was provided by the backpackers.

On Monday the 27th we boarded the Beachcomber cruises which left from the Picton Harbour at 9am. We saw seals, shags, little blue penguins and a lot of jellyfish. It was a beautiful sunny day. At approximately 10:30 am we arrived at the starting point of the Queen Charlotte at Ship's Cove and began a 5 hour trek with our daypacks. After the long days walk we pitched our group tent up in Miners camp and went for a swim before bed.

Tuesday the 28th was my favourite day, only 11.5 kilometres (4hrs) of tramping. But our teacher added an extra 40 minutes by walking to a mine shaft at the top of the hill. We crossed this river, and I bet that a third of the people who cross it get their shoes wet. Then we spent the afternoon swimming and jumping off the jetty. It was another hot day, and we ended the night with an awesome talent show. With skits such as dancing to being a comedian on the spot. They were all amazing and the comedians were really funny.

Everyone wasn't looking forward to Wednesday the 29th to the 8 hour tramp. There were lots of uphill and downhill which made it more challenging. We walked past many lovely views, bays, coves and rocks. We had a nice lunch stop at a picnic table. Wekas came out of the bush once we left and ate the crumbs we had dropped on the floor. After walking over 25 kilometres we made it to Cowshed Bay. We put our tent up, had a delicious dinner and toasted

marshmallows. And everyone either had sore muscles or bad blisters.

Thursday the 30th was the day we finished the Queen Charlotte. We walked another 25 kilometres (equal to 8 hours of walking). The views from the South Island were completely different to the North Island. You also saw the ocean and the beautiful native scenery.

Miss Simpson made Rosie, Brianna, Clair and me lead the group the whole day. We walked at a good pace and finished the track well under the 8 hours it says on the Department of Conservation sign. We all had a vote whether we wanted to walk 4 hours and not finish the Queen Charlotte track or 8 hours and complete it. The winner was the 8 hours which I voted for, because I really wanted to finish the track. We saw a sign which said 6 kilometres away and got excited when we saw a bay which wasn't the end instead we saw another 3 kilometre sign. Aila gave everyone lollipops which gave us all a boost of energy.

Our group weren't organised with food; we brought too much and then ended up leaving a fair bit at the backpackers, which I was glad about because I didn't want to carry extra food. When we finished the track everyone had a big smile on their face, they were all proud of what they accomplished. So I treated myself to an ice cream which tasted great on that scorching hot day. Since we arrived early we had to wait about an hour and a half for the water taxi. So we all took photos on the wharf and made daisy chains in the grass.

Once we got picked up by the water taxi we drove back to the Picton Harbour, and had a quick walk around the tourist shops as well as the food ones. I didn't end up buying anything that day because they were mostly New Zealand souvenirs which I could get in Taupo. Then we walked back to the Backpackers and had Fish and Chips which the teacher bought us. I was so full after that. Then we booked the hot tub and had a nice soak before we went

# Duke of Edinburgh Awards

to bed. In our dormitory we had a lady called Annabelle who was very sweet and slept with a cute teddy called Benjamin. And before bed we all plastered and taped our blisters.

We woke up really early on Friday the 1st of December. It was 25 days till Christmas on that day. We carried our packs to the ferry by 8 am and shared a block of Whittaker's chocolate.

This ferry was a lot rockier than the last one and most of the girls got sea sick. I bought a cute key ring as my souvenir as well as a pie for lunch.

We arrived at the Wellington harbour at 11:30, and met Mr Cowley before we drove another 6 hours to Taupo. We sang to some music and had some more sweets. Rosie slept on my shoulder most of the car ride.

We arrived home at Taupo around about 6:30pm. It was so great to see my family. I definitely had an awesome camp

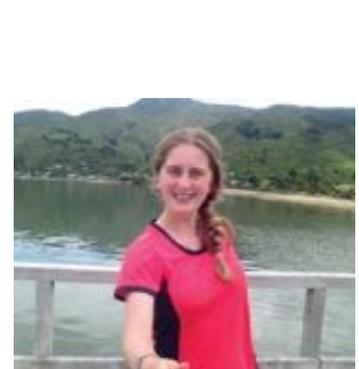

and appreciated all the teachers' time and effort and can't wait for my next camp and tramp for my Gold Duke of Edinburgh.

We all survived a week in the bush with long drops, no reception, no family and all had an adventure of a lifetime.

**In total we walked 80 kilometres!!!**

# Year 13 Biology Trip

Sydney, Australia - 26th September to 2nd October

Early on Thursday 26th September, 19 very excited students and two teachers boarded a bus for Auckland airport. Just over 4 hours later we checked in at Qantas and our journey began. A short flight to Sydney and we were soon on the bus to the Youth Hostel. The first night was spent settling in, having dinner and catching up on sleep as we had been up very early.

The full day of learning at the Australia National Museum involved nearly 4 hours in the classroom examining models of skulls, teeth, bones and skeletons as we consolidated our understanding of human evolution. Activities helped us to understand links, trends and evidence for human evolution. Other activities and directed learning around the museum enhanced our comprehension of the biology topics in the level 3 course.

A quick walk back to the youth hostel and then off to Chinatown for dinner. This multi-cultural experience shocked, surprised, delighted and excited students; many of whom were out of their comfort zone in an area crowded with so many people and so unlike downtown Taupo.

Up early the next day and we were "off to the zoo". A short ferry trip across a beautiful Sydney harbour on a tranquil Sydney harbour on a beautiful spring day followed by a gondola ride up the hill. Learning was centred on the displays of animals, detailed observations of a range of animals, keepers' talks and the many information panels around the zoo.

Favourites were gorillas, meerkats and elephants; and the most important messages were about conservation and sustainability. Back across the harbour then dinner at "Pancakes on the Rocks" – an amazing meal with good company. A quick bus ride and we were back at the hostel once more.

Another early morning start with a walk to Darling Harbour to the Aquarium. Sadly this was so overcrowded that it was difficult to complete the learning activities. The dugong, sharks, stingrays and penguins were entertaining, and the message of conservation and sustainability was reinforced again. The afternoon was spent exploring the many shops of Darling Harbour; Miss Simpson and Mrs

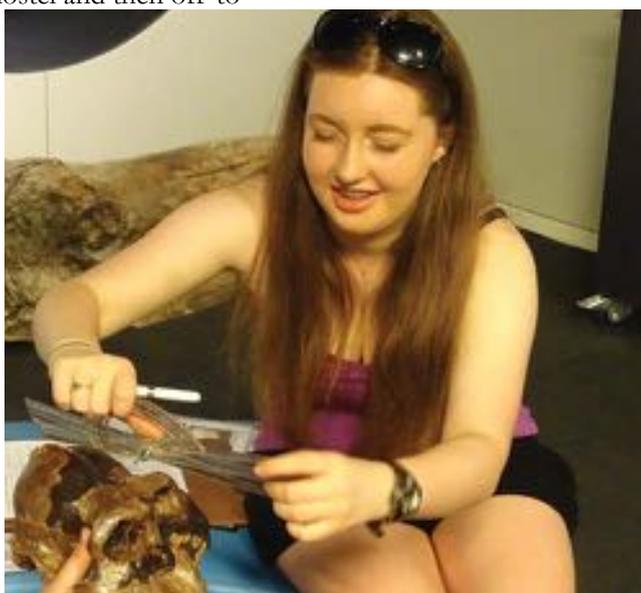

Brown continued their learning with a visit to the maritime museum and the National Geographic Photography display. A planned early night was disrupted with a fire alarm at the hostel, the NUI students all evacuated the building and

helped others. Luckily it was false alarm and we were soon back in bed resting ready for our planned morning of exploring the city.

The final morning was again warm and sunny and in small groups we explored the central city. EFTPOS cards were busy with gifts and clothes bought meaning our suitcases were heavier than five days earlier. Off to the airport and another Qantas flight home. Onto a bus at 1am and we travelled back to Taupo arriving at school just before day break. Luckily it was holidays and we could all

spend the day in bed catching up on sleep.

A huge big thank you to Mrs Brown and Miss Simpson for organising and accompanying the students. An enormous thumbs up to the students who displayed maturity, responsibility and role modelled the cornerstone values every second of every day on the trip. THANK YOU.

# Dance

Success is not a destination, it is a journey... and what an amazing journey 2018 has been for TNT Dancers. All year 9 dancers in the option classes showed development in the half year programme. Most dancers started at NCL 3 and at the end of the programme progressed to achieve at Level 4 or higher. In the EPD programme, Year 9 students gained mainly Excellence for the NCEA Level 1 performance and choreography standards, while some are already working at NCEA Level 2. This year Onera Beck will be sitting the NCEA Level 1 External exam. Year 10 students in the Option class are all working at NCL 6 and above and therefore were able to complete and achieve NCEA Level 1 standards. Each Yr 10 student is going into Year 11 with Dance credits from this programme. The Y10 students in EPD are all working at NCEA Level 2 and some at Level 3. All have achieved NCEA Level 1 and Sophie Howell will be sitting the NCEA Level 1 External exam. Special awards this year go to:

**Taryn Drysdale – 1st in EPD 1, Shaz Corin-Goldsmith – 2nd in EPD 1 and Onera Beck – 3rd in EPD 1.**

**Grace Bilbie – 1st in EPD 2, Belle Yeoman – 2nd in EPD 2 and Claudia McKinstry – 3rd in EPD 2.**

**Hannah and Lucy Golebiowski 1st = in EPD 3 and Georgia Smith and Ayla Yeoman 3rd = in EPD 3, Hannah and Lucy Golebiowski – Contribution to Senior Dance, Grace Bilbie – Contribution to Junior Dance.**

Besides class work, all dancers have been part of DanceNZMade, either competing or in the Dance Development programme. Taryn Drysdale (Y9), Onera Beck (Y9), Grace Bilbie (Y10), Ayla Yeoman (Y11), Georgia Smith (Y11), Hannah Golebiowski (Y12) and Lucy Golebiowski (Y12) placed at the Regional solo competition with Ayla receiving a nomination to represent Taupo at the National competition. Similarly our duet National representatives, Taryn and Shaz (Y9), Grace and Belle (Y10), Ayla and Georgia (Y11) and Hannah and Lucy (Y12) achieved great success this year. Grace and Belle also choreographed a piece for Taupo Intermediate and received the Choreographers award at DanceNZMade for this. Hannah and Lucy choreographed for Hilltop School and both teams placed at Regionals and Nationals.

All EPD dancers and Y10 Option Dance represented the college in group dances at various competitions throughout the year, such as Taupo Queen's Birthday Dance Competition, DanceNZMade Exchange, DanceNZMade Regionals and DanceNZMade Nationals. A major highlight was this year's TNT Dance Extravaganza.

Not only did TNT dancers perform, but Hilltop School, Taupo Intermediate and Taumarunui High School also performed, sharing their passion of dance. Thank you to all the wonderful TNT dancers, whanau and friends. Your support and encouragement are much appreciated!

Finally, a special mention must be made to Taryn Drysdale who successfully auditioned to be part of the Royal New Zealand's performance of "The Nutcracker" in December in Napier.

# Student art and writing

## Imagination

I just want an unbroken imagination  
To take me back to my childhood fantasies.  
I'd float upon clouds and defeat evil monsters.  
I'd climb the tallest beanstalks  
Fly away with thousands of balloons.  
I'd eat giant mushrooms  
That make me as tall as a 10 story building.  
I'd be a princess sweeping marble floors.  
A woodland creature running wild  
Through an uncanny forest.  
A pirate navigating a spaceship through the Milky Way.  
If only I had an imagination  
I'd be free  
I'd climb  
I'd fly  
I'd leave this world behind.  
I'd be navigating through space.  
I'd be running wild through an uncanny forest.  
I'd be flying with thousands of balloons.  
I'd show the world how big I am  
How important I am  
My worth.  
If only I had an imagination  
I'd do this and so much more;  
I'd erase all the negative  
Enhance the positive.  
I'd paint equality into our lives.  
I'd kick cancer.  
I'd dance away all the plastic  
All the dirty fumes.  
I'd teach every child  
Every gender.  
There would be food for everyone  
Everything.  
I'd bring back extinct animals.  
Eliminate poverty.  
Terrorists would cease to exist.  
  
All these problems  
I could fix  
If only I had an imagination.

**Georgia Reynolds – Year 11**

**Left and above: Ava Jordan Year 13

# Student writing and art

## *Velaris - City of starlight*

Lift your head to the sky in Velaris and you'll see constellations spread amongst deep violet and amethyst. Soaking into pitch black, like a drop of ink into water. The city lights glow, just bright enough to create a spectacular view from the top of the icy mountains. It's a quarter past midnight and the streets are still filled with soft hums of sweet music.

This city never sleeps. Boston ivy creeps up and into the limestone buildings; even the walls are living. Wafts of snow and pine drift through the air on the cool mountain breeze. The cold tingles your nose and bites, teasingly, at your cheeks. You smile. There's an aurora weaving through the darkness, pulsing vibrant hues of light. Velaris, built for the dreamers. Kept secret from the rest of the world. A safe place; a haven. As you sink back into the soft grass and whisper up into the heavens, they smile back at you. You know you are home. The cosmos holds your secrets and the people hold your heart. Your eyelids become heavy and give in. This is all you could ever ask for. **Odelia Nortje – Year 10**

Above: Jarrell Johnson, right Kasey Aramoana-Puhi (Yr 12). Below: Lilly Battell (Yr 13).

## A place

In the quiet heat, the drone of cicadas seems deafening. It's a sleepy sort of day, the kind where you can while away the afternoon doing nothing much. Pine trees sway and groan in the breeze, like unstable towers on the verge of collapse. Underneath my feet, the lawn is stiff and prickly, and seems to be more weed than grass.

You can't walk on the lawn in bare feet, because gorse thrives in the potholes and hollows of the ground. It doesn't seem to bother the wekas though, as one of the cheeky, brown birds struts around, scavenging for food. From the deck of our house, you can see the sparkling

harbour.

Tiny, almost invisible boats are dwarfed by huge, luxurious launches, while people chat at the Boat Club across the cove. There's actually a catamaran sitting behind our bach, but it hasn't done anything but rust for years. Beside those rusty bones, the manuka hedge is in full bloom and the dark leaves are studded with tiny, white stars. A screech draws my gaze upwards, and I see a gang of parakeets wheeling and swooping above the trees.

This is paradise, I think.

**Kees Manders**

# Student writing and photography

## Language by Lochie Lawson-Jones

When I was younger. I had a fight with a boy with short hair and a poisonous face,  
short because he stood above me with courage and poisonous  
because I was the one who started it.

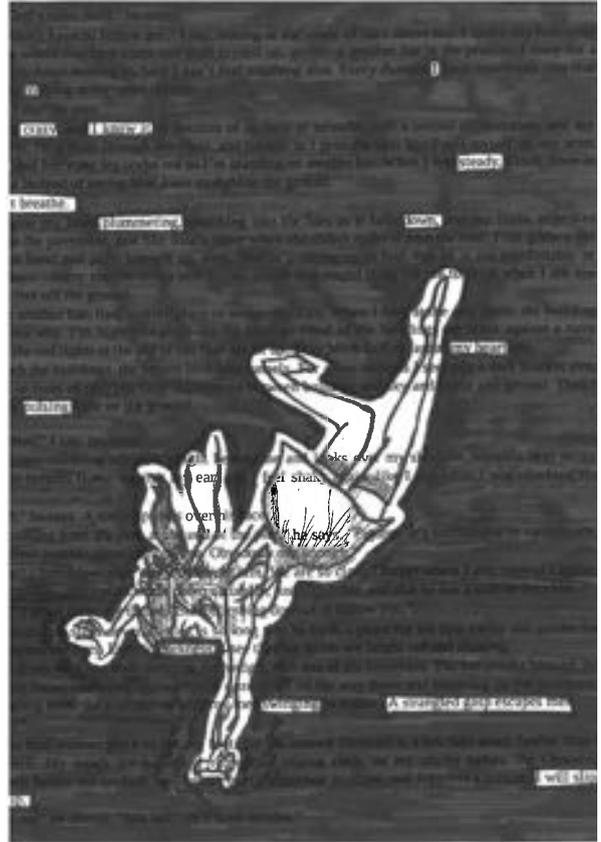

It took me 5 years and the ability to write down the right thing  
to show you  
something  
that's worth saying.  
We use words like we play with toys  
We smash them and throw them  
and try to fix them  
but in the end  
We're the ones who broke them....

Them as in then  
because we will never get those simple similes back Like.....  
The ones we love.....  
And somehow we justify the way we act to others with metaphors  
Because we are  
Monsters  
And we write with hate infused taps  
that screens undeniable facts  
that I as In you  
don't give a crap.....

Or do We? ..  
You see monsters hide under beds  
waiting for the coming dusk of day  
when we hide under layers of coding  
and labour to the early hours of the morning,  
You saw monsters and told yourself  
I am human...  
As if saying man means humility,

That boy's screen has our fingerprints  
marked over it like a virtual crime scene  
and we are both the beast  
and the victim  
Monsters fight in everyone  
but it takes a little less poison  
a little less language  
a little more patience to show  
yourself the true beauty of.....

Us as in You.

**Blackout poem by Year 9 student Holly Pietersma.**

**Blackout Poetry involves blacking out parts of a page from a book to deliberately, through vocabulary choice, change the tone or mood of the original.**

**Hayley Whittaker Year 12 Photography**

# Drama

It's been an eventful year for the drama Whanau at TNT, with a plethora of drama events enriching our lives. We've seen all three senior year-groups put on live, theatrical shows, along with the 2018 production Rock of Ages.

Not only that, but we have hosted the SGCNZ UOSW Shakespeare Festival, and two different theatre companies were kind enough to also provide shows and workshops for the drama kids: The Ugly Shakespeare Company brought us Romeo and Juliet and the Simple Truth Theatre Company came with Verbatim.

Kiwis Come Out at Night is the first live performance many drama students partake in, and is also their first dip into what it's like being on stage; various extracts are rehearsed, learned and performed in front of a real audience, and it is great fun for everyone. Next comes the SGCNZ UOSW Shakespeare Festival, in year 12; the old English and the dramatic prowess becomes more refined, and it's also one of the most important performances as it is the South Waikato regional competition.

The final live performance comes in year 13 - the first full live play and it's quite a feat for the seniors as it's the first time they'll have done a full show. The seniors also had to go on a couple of theatre trips to Auckland so we'd have something to write about in our external exams ... We went to the Pop Up Globe in Auckland to see A Midsummer Night's Dream and to Auckland Unitec to see their version of The Crucible.

## Rock of Ages: the Musical 2018

After 11 weeks of auditions and rehearsals an all-star cast and crew brought 'Rock of Ages: The Musical' to life on stage for five nights in June.

Set against a back drop of 80's rock anthems such as Oh Sherrie, Hit Me With Your Best Shot and We Built This City on Rock'n'Roll ... Rock of Ages tells the story of aspiring singer Sherrie Christian who finds herself in a spot of trouble upon her arrival in LA in the late 80s. Coming to her rescue is Drew, a bar-back at the legendary rock club: The Bourbon Room. Trouble arrives with "rock god" Stacey Jaxx where a misunderstanding threatens Drew and Sherrie's budding love story.

Involving over 70 students and staff and led by drama teacher Viv Gowdy as director, Alex Wiltshire as music director and Vivien Forrest as director of choreography; 'Rock of Ages: The Musical' intertwined practicality with creativity by involving the arts and technical department's fine skills.

When speaking with the cast, the same word consistently came up – family! The general consensus from the team was that they all greatly appreciated this opportunity and are very grateful for the family they have found in each other. Several ex-students made their way back to the college in order to help with lighting, set design, sound, hair

and make-up – which says a lot for the supportive culture created within our productions as people are eager to come back and give their time to the next generation.

And to top off an excellent experience, Rock of Ages: the Musical was met with absolutely glowing reviews from members of the community – “clear storyline, well narrated,” “excellent choreography,” “Simple yet impressive set management” and “a very high level of commitment, effort and buy-in from the whole cast”.

**Laura Nicholls**

# Japan Trip

Leaving NZ: Two students each day, took turns in guiding our group around places. At the same time we were all learning valuable lessons in language, etiquette and just how to use Japanese transportation.

**Tokyo:** We visited the sky tree, but views were limited because of the pollution coming across from China. Then we visited the Meiji Shrine and the young people's city. We learnt very quickly how trying a big city can be and how we had to pace ourselves.

**Kyoto, Kinkakuji and Ryoanji:** We learnt some of the history behind this amazing old Capital. The cherry blooms were 10 days early this year, so we only got to see a few trees in bloom.

**Hiroshima:** A very intense place to visit, but a very valuable experience. Our new Ryokan was really good. It was at the end of the shopping arcade where we went after we visited to the Peace Park, to relax and talk through the experiences of park. The next day we went to Miyajima Islands. Our only cold and wet day.

Our Ryokan in Hiroshima was very lovely. We were to be served a traditional breakfast and we found our Taupo-nui-a-Tia college sign and waited outside. There seemed an awful lot of fuss going on, so we looked into our room and there were two random strangers sitting and eating at our breakfast table. In true Japanese fashion they were not asked to move, the staff moved our whole breakfast over to another room

and set it up for us, giving us extra to make up for our inconvenience of waiting an extra five minutes. These two strangers were not even aware what was going on. A great lesson in Japanese hospitality.

**Osaka:** This was a new place for us to visit as students decided they wanted to go to Universal studios instead of Disneyland in Tokyo. Universal studios was great. Like an adult Disneyland but better for teenagers. A few wands and capes were brought back from Hogwarts.

**Yokohama and our Sister school:** We met our host families at the station. Hosting was the most enjoyed and valuable experience for all the students. Staying in a Japanese family and going to school is something that we are still talking about.

Not only the seven period school day, the very focused students at school and the work they got though, but the hour, to hour and a half getting to school each day by train, bus and walking, was quite a shock for us. It was amazing to see students at this school discussing World Poverty and other very current events and challenging ideas, in their second and third languages.

On the last day, this class decided to all wear red shirts in our honor. The connection we have made with these students will last forever. Their school is hoping to come to New Zealand soon and we heard many students around the school saying they wanted to visit New Zealand.

WHAT A GREAT TRIP!

## Classic Poem

A poem to honour a school building  
*Indeed, the D and I block*  
*Stands graciously upon Spa Rd*  
*Unmistakable beauty glares*  
*At the broken panels of H block.*  
*This temple wondrous of the college*  
*Knowledge spread to the lands beyond*  
*Students waging war on high school afflictions.*  
*Twisted metal, rust red, corrugated iron flowing*  
*Through the winter days of our lives*

Composed by the students of Yr 13 Classical Studies  
(inspired by Ovid's poem of The Temple of Mars Ultor)

# Manu Korero

Kia ora

Ko Shaneece Brunning toku ingoa. Now let's korero about Manu Korero. This is one of the greatest events to be held throughout New Zealand. Every year 14 regions compete in the Ngā Manu Korero National Secondary School's Speech Competition. It's a time for rangatahi to express their cultural identity and heritage through rangatahi voice. Rangatahi speeches tells of power, tell of truth and tell the concerns of the past, present or future. It is an honour and a privilege to speak for your school, for your people and for yourself.

Manu Korero is a time to meet new people, find your connections and express certain topics chosen through rangatahi voice. Manu Korero has played a big part throughout the student's lives at Taupo-nui-a-Tia college and I've had the privilege to speak at Manu Korero in year 12. It felt scary at first but when you get to talking and you get in your zone you're on a roll. This year we hosted Manu Korero Regionals which was a huge success. Our speakers were Skylah Peneha for Snior Maori, Katiana Ngata for Senior English, Takurua Reweti for Junior Maori and Tayla Simmonds for Junior English. These students had to speak for up to 12 minutes without cue cards and represented TNT proud.

I wish all future speakers for TNT good luck and kia kaha.

**Shaneece Brunning**

# Year 13 Engineering

## Up for the challenge – Mini Bike Racing at Manfield

Who wouldn't want to build their own motor bike and then race it around a track? In 2018 we had one of the highest uptakes of the mini motor bike challenge we have had for a number of years.

At the start of term one 11 students from the Year 13 Engineering class received their bike kits and started the complex challenge of building their own mini bike.

This would require hours in the workshop, including some evenings after school and even some days in the school holidays. The students had to work together, problem solve, manage their time and resources effectively as well as undertake a range of complex engineering procedures during the construction of their bike. We lost a few students along the way, a few left to take on work opportunities and one student opted to go for a more Harley Davison style bike which ended up being outside the race specifications but by the

end of term three we had 6 students ready and up for the challenge of the "National Secondary school Mini bike GP".

Over the 3 days that was spent in Fielding at the Manfeild Raceway our team performed very well. Our team challenge was to make sure all riders had their bike on the gridline, ready and working for every race they were entered in. This proved to be quite a task with a number of mechanical issues throughout the days of racing. But the team was up for the challenge and used initiative, teamwork and determination to ensure all bikes were repaired and back on the track for all races. Highlights from the event were, all riders making the finals in their respective classes and for the first time ever we had a champion with Ethan Milne winning 3 out of 4 of his races and taking out top place in the 85kg + class. The

real highlight for Mr Fowler was the way these boys worked collectively as a team, supported each other and behaved in a way that we can all be proud of.

Team members were:

**Aidan Winmill, Daniel Martin, Ketan Patil, Zac Johns, Jak Brightwell and Ethan Milne.**

**Back, from left: Jak Brightwell, Ketan Patil, Zac Johns, Aidan Winmill and Daniel Martin. Ethan Milne in the driving seat.**

**Ben Hall in the Taupo-nui-a-Tia workshop.**

**Aidan Winmill and Daniel Martin in the pits at Manfeild.**

# THANK YOU TO OUR AMAZING GATEWAY EMPLOYERS

Once again we have seen a variety of Gateway placements and learning opportunities open up to our senior students. It has been wonderful to see so many students taking advantage of gaining real work experiences, learning on the job, building relationships and networks within our community.

We consistently see so much being gained from this

- Performance Mechanical
- JV Systems
- VetPlus
- Huka Falls Jet
- Beck Building
- Roofing & Waterproofing Taupo
- Smith & Sons
- I Salvage & Mechanical
- TME
- Ross White Panel & Paint
- TeAwa Farms
- Taupo Dental Centre
- Fox Physio
- LJ Hooker
- The Warehouse
- Taupo Kids Community
- McPhail Motors
- Zenith Coatings
- Tungston Saws
- Formula Challenge
- Storehouse
- Williams Tackle & Feed
- Mathai Dental
- REAL
- Bevan Martin Electrical
- Taupo Bungy
- Huka Honda
- Lava Glass
- Alex Stewart Electrical
- Taupo Diesel Solutions
- Wairakei Resort
- Prestige Carpentry
- AB Equipment

programme in terms of building employability skills. We have had some very successful participants go on to gain apprenticeships and employment through their placements and once again we thank our hugely supportive employers and community.

These include:

- Crème Brulee
- Monte Vista
- Salvation Army Store
- SMJ
- Taupo Vet Centre
- Deano's Earthworks
- Tainui Logging
- Vetora
- Is This Love?...
- Heli Maintenance
- Pointons Meanswear
- Bailey Quinns
- Harrisons landscaping
- Victoria's Café
- The Pet Shop Taupo
- Wairakei Estate
- Maker Build
- Ika Nui Timeshares
- Landcorp
- Birdsall Pastoral
- The Massage Centre
- Hinemoa Kindergarten
- Lakeside Meats
- McMaster Chiropractic
- Davids Excellence In Hair
- Tau ke Farm
- SPCA
- TSR Motors
- The Dentists Taupo
- Kiwi Sport
- Maker Build
- Zenith Coatings
- Heli Maintenance
- Four Seasons Kindergarten

# English for Speakers of Other Languages

## SENIORS:

### MARY BALANAY

Mabuhay! My name is Mary. I'm 17 years old. Taga Pilipinas ako pero lumipat ako dito sa Taupo last year. I love watching anime and reading mangas. I enjoy my life here in New Zealand frankly because of the scenery – not too crowded, unlike in my country and also the education system. The language barrier was my problem at first but as I got to know the people well by communicating regularly, my knowledge of English began improving fast. I have phobias of blood, dogs and dolls. I dislike dairy foods. I love sweets.

### SAM YANG

Hi, my name is Sam Yang. I'm 16 years old and I'm an international student. I'm from Ecuador in South America and I can speak four languages – Spanish, English, Mandarin and Cantonese. I arrived about two months ago and I will be here next year and the year 13. I am very happy to be in this school and I was lucky to have a cousin here and he helped me make friends with a lot of people in just one week. And now I'm very happy because I talk with the other international students and they told me they don't have too many friends and I think I'm very lucky here. A mi me encanta este cole puedo conour a muchos chicas guapas y hermosas y tener unos amigos super incredible y eso me hace estaru feliz y sentirme bien estando en Taupo nui-a-Tia College.

### KHANATHIP SENARIT

I'm Khanathip from Thailand and I've lived in Taupo and have been in Taupo nui a Tia College for four years. Next year I am going to Toi-Ohomai in Taupo. Have a happy day!

### MIGUEL EMMARA

Hello, teman-teman, Apa Kabar? My name is Miguel, I've been for two and a half years in New Zealand. It has been the most incredible journey I've ever had. I met with a lot of new friends and they're all awesome people. I am Year 13 which means this is my last year in this school. I am proud to say that now I am happier to be a leaver from Taupo Nui-a-Tia College and am going to study in Auckland. See you guys out there.

### LOUFRENTZ GERUNDA BADIANA

Hey I'm Loufrentz. I'm 16 years old. I am from the Philippines – I'm half Spanish as well. I've been in New Zealand for eight years ... basically my whole life has been here. Na gustohan ko ang futbol and badminton. I really enjoy being in New Zealand, I've made many memories and friends. Aka na birapan mag aard ditto escuela but I

From left: Nathalia Sherrock, Rashmi Negi and Samikshya Dhakal at Hobbiton.

try my best. After high school, I would hopefully go to university or either join the Navy.

### BENEDICH CABALLES

Ang pangalan ko ay Benedich. I am 16 years old. I am from Philippines and I have been here for nine months. I love reading books such as novels, I also love playing volleyball and badminton. I really enjoy studying here. I am scared of dogs because when I was a child I was chased by a very big dog. I want to be a pharmacist when I grow up.

### PRAVEER NEGI (परमवीर नेगी)

Hiiii my name is Pramveer Negi. I've been here for nearly

two years. I live with my family. I came here in 2016 in December. New Zealand is different from my country like language etc. But I improve myself a lot and I have done so many good things in my school. I like to play football and I really enjoy doing engineering and its one of my favorite subjects. 2019 is my last in school and I'm going to miss my friends. I want to be an automotive engineer.

### RASHMI NEGI

Hello (Namaste-नमस्ते)

नया साल मुबारक हो (Happy New Year). I am Rashmi and I am really enjoying my time in Taupo Nui-a-Tia College. I arrived here 15 December, 2016 and I can't believe how fast the time has passed. It has been a little difficult to understand the new language and the culture but the atmosphere, teachers and life in general is a bit different. But I got really good experiences in New Zealand. I am going to university for dentistry. I am very happy and relaxed to be here in New Zealand.

### TRISTAN UNGEWITTER

I'm from Germany. I'm in New Zealand since three months and I'm enjoying my time a lot. The year here is more fun than serious school, what's really good and I will be studying here for the next year.

### SAMIKSHYA DHAKAL

Hello everyone (नमस्कार). I am Samikshya Dhakal and I am 18. Being a Nepalese, I mostly have to focus on my study. Besides having interest on study, I usually spend my quality time with my family. It has been nearly 3 years now since I arrived in New Zealand and joined this college. This is my last year in this college and I feel so proud to be a student of this college. I enjoy each and every day with my friends. Mostly, the supportive and caring nature of my teachers make my learning more interesting so I feel like I already complete my 3 years in 3 days of time.

नया वर्ष २०१९ को सबैलाई सुभकमाना (Happy New Year 2019 in advance) and आगामी वर्षहरु सुभ र सफल होस(

# ESOL

Have a great year ahead)

## **ANNALISA TIBERTI**

ITALY - Hi guys I am Annalisa but you can call me Anna! I came here at the end of August so two months ago, and I'll be back in Italy in about four months. The first month has been more difficult to make friends and find a family more suited to me but my experience has taught me that although there will be complications we should not ruin such an experience as it happens once in a lifetime. In fact everything has adjusted and becomes more beautiful every day, especially thanks to the help of the school. I will never want to leave! Divertitevi e andate all'avventura!!!

## **LEON DONG**

Kia Ora. I'm Leon and I come from China. It's an awesome experience to come to Taupo Nui-a-Tia College as an international student. I met a lot of friends from different countries – Germany, Japan, Italy, Kiwi and so on. I got some culture difference between countries and also it changed me a lot. I'm so happy to stay in this peaceful town. I would recommend my friends to come here as well. Thank you for everyone in the school. Xie Xie!!!!

## **JUNIOR ESOL:**

### **THOMAS CASONA**

I come from the Philippines and I've lived in New Zealand for most of my life.

### **CHADWICK SIMEON**

Hello my name is Chad. I come from the Philippines. I have been in NZ for six years and I can speak six languages. I want to be an actor or a designer.

### **CHRISTIAN SMITH**

My name is Christian Smith and I'm from Fiji in the Pacific. I have lived in New Zealand for nine years. I speak Tongan, Fijian and English. When I get older I want to be a basketball player and jump over a car.

### **HANNU GALICIA**

Dumagete – Philippines. I have lived in New Zealand for five years. I want to be a PT (Physical Therapist). My language is Visaya.

### **RALPH MENDOZA**

I was born in Cebu, Philippines in 2005 – February 24th. I came to New Zealand in 2004. I can speak only a bit of Philippino and lots of English.

### **JACK LUO**

Hello there. My name is Jack Luo. I am Chinese and I live in New Zealand. I have lived here for three years. Three years ago I was in the airport in the state of Hubei. I was excited because I was on an airplane for the first time! Right now I am at my school - Taupo Nui-a-Tia College which has a short name "TNT". Being at TNT is one of the best things after I came here. I made a lot of new friends. We play together hanging out every day at school. One thing about friends is they will help you go through all the bad things you are facing! The best thing about the life is being happy with your friends!

**From left: Loufrentz Badiana, Benedich Caballes and Mary Balanay.**

### **SAMEER SETHI**

My name is Sameer. I was born in India. I have a lot of fun in India and have good friends. I lived in India about 10 years then my family and I came to New Zealand and we lived in Hamilton about five months. We moved to Taupo about four years ago and I am having lots of fun in Taupo. Also I love to do lots of activities in Taupo and once I grow up I would like to do sky diving. I love to go to Taupo Nui-a-Tia College because the college helps me to make my dreams true.

### **JEFFNER BALANAY**

My name is Jeffner and I came from the Philippines. I have lived here in New Zealand for about a year now. We settled here in a town called Taupo with my family – all six of us. Currently I am studying at a new school called Taupo Nui-a-Tia College. Lots of friends and opportunities I have made already.

### **MOANA WANIKAU-KOPU**

I have lived in Taupo my whole life and I want to be a netball player. I like hanging out with my friends. I can speak Maori and English as well as some Tongan, but not a lot. No Taupo ahau. Ko moana Toku ingoa. I am from Taupo, Moana is my name.

**ESOL students and teachers enjoying the spectacular Hobbit set near Matamata.**

# Rockquest

Smokefree Rockquest provides a great platform for young musicians to start performing their original material. It is how many of NZ's most famous bands and soloists started. This year Taupo-nui-A-Tia college musos cleaned up at our regional Smokefree Rockquest event. Two bands and one soloist competed at the Rotorua regional final. Each had to perform two original songs. Samantha McCutchan placed first for the soloists, while *In The Resource Room* - consisting of Molly Wyatt, vocals, Mia Bohan, bass, Hohua Aramoana, drums, and Samantha Jones, guitar - won the people's choice award. *Intervene* - TNT's John Gidlow, guitar, Meihana McGee, bass and vocals (Western Heights College), and Jack Asplin, drums (Reporoa College) - placed first in the regional final. Hohua won the award for best musicianship. These awards meant that we moved on to the next phase - of recording four original songs, and sending them to the Rockquest judges. Those selected would move on to the National Finals. Both

*In The Resource Room* at the regional finals.

bands did the recording at school, with a lot of help from Ashley Pirie and Liam Sparkes. This proved to be a learning experience for all of us!

The event has a very supportive atmosphere and allows bands to gain confidence and experience on stage. For *In the Resource Room* it led to us getting more gigs around town, eg playing at the Lake Taupo Cycle Challenge.

**Molly Wyatt**

Flora and Fauna Ball 2018

June 10th 2018, Tappan State College held their annual school ball. With flowers, white bird cages, waves and fairy lights a story, the floor and lounge there was ever present as you danced your way around the Great Lake Centre. You could see all the hard work that the Ball Committee had put into making the night amazing in their. The attention to detail by the committee, and the team at Tappan High, was outstanding and your eyes were drawn to every part of the room. From the leaves and wooden stumps at the tully bar, the leaves under the drinks bar, the fairy lights surrounding the dance floor to the beautiful green leaves and flower backdrops, there was no doubt that the decorations fit the theme perfectly. Everybody who attended the ball enjoyed themselves and the night, this was clear to see from the smiles, laughs and dancing that filled the room. Not only did everyone have an amazing time, they witnessed amazing and beautiful dances, such as hair and makeup. The TSC 2018 Ball was a night that all senior students and teachers will look back fondly on and remember for years to come.

King and Queen - Johnson Bishop  
and Mykayla Barnes  
Prince and Princess - Joep Lenoir  
and Lucy Mason

| Yuck-A-Jay               |                     |

- Special Mentions**
- Pina and Team at Hair Coloring
  - Louisa and Team at LMC Food Truck
  - Sally and Team at Whisman-Brewers
  - Daisy and the Team at Taupo Hills Ltd

*Intense frosty weather. 36 hours of no sleep. Shouting Mentors and instructors. Oh and chuck in a full day of physical activity, 2018 CACTUS has surely been a long one.*

*On June 29th Taupo-Nui-a-Tia College CACTUS students and staff took part in the Winter CACTUS Longest Day. Limits were pushed past breaking point and the bond between one another was strengthened, individuals became a team, where a family was created.*

*CACTUS (Combined Adolescent Challenge Training Unit and Support) is a 8 week course run by Taupo Blueflight Volunteers and the local police. Designed to bring 30 students of varying backgrounds, skills and abilities together and form a strong unit through discipline and physical and mental limits.*

*Task One started off with a peaceful yet intense pilates session lead by Jonty Garlick to align the students and staff for a very long day ahead. An early start to Task Two saw the students and staff battling fatigue through a physically and mentally challenging 90 minute workout thanks to Tim from BodyWorks Gym. Facing a chilly start to Task Three where the climb of Mount Tauhara was on to see the sun rise. After completing multiple grueling tasks throughout the day, led these Cacti to their final and most challenging task of all, the fire truck pull. Determined to finish, nothing would stand in their way.*

*Ten minutes prior to the arrival of the budding Cacti, students and teachers gathered in the quad awaiting to cheer them on in the final stretch. Instructors, Mentors and Cacti all chanting their hearts out as all who were present stood, cheering and applauding as they ran through the College to come to their final dismissal and their last trademark CACTUS "HOORAH!"*

# Junior prize giving 2017 - Yr 9

## AWARDS FOR ACADEMIC EXCELLENCE AND OUTSTANDING EFFORT AND INDUSTRY IN YEAR 9

### 9Afx

**Trinity Bright** Academic Excellence in Mathematics, Science and Enhanced Learning Programme, Effort and Industry in Food and Nutrition

**Tyrone Brightwell** Academic Excellence in Resistant Materials

**Donovan Briscoe** Academic Excellence in Music

**Tunisia Davis** Academic Excellence in Te Reo Maori (full year) and Digital Technologies

**Wenerata Flight** Academic Excellence in Te Reo Maori (full year), Effort and Industry in Resistant Materials, Design & Visual Communication, Visual Arts and Music

**Abbie Gamble** Academic Excellence in Social Studies, Design & Visual Communication and Visual Arts

**Hinal Halpati** Academic Excellence in Social Studies, Health & Physical Education and Japanese, Effort and Industry in Mathematics, English, Science, Food & Nutrition, Design & Visual Communication and Visual Arts

**Brianna Hilton** Academic Excellence in Science, Food & Nutrition, Drama, and Music

**Maddison Jensen** Academic Excellence in English, Food & Nutrition, Design & Visual Communication and Visual Arts, Effort and Industry in Drama and Enhanced Learning Programme

**Daisiah Porteous** Academic Excellence in English and Music

**Te Rina Tana-Wanoa** Academic Excellence in Health & Physical Education, Effort and Industry in Music

**Max Voss** Academic Excellence in Health & Physical Education, Textile Materials, Resistant Materials and Visual Arts

**Katie Donald** 1st Choice Engraveit Award for General Excellence in Year 10 – Girls (prize donated by OfficeMax)

# Hoe Waka and Waka Ama

Kia Maul..... Ki te Hoe! ..... Hoea!!

We went to Regionals

We went to Waka Kopapa

We went to Nationals

Our first stop was at Waka Ama Regionals in Te Awamutu at lake Ngaroto. Our teams were Hinemoa, Tamatoa, and Tuahine. The scoring is a bit different to how they score other sports. They put you in a random order in your age group then you race the people that get put into your heat. From there you get ranked on your time. You will either be put in bowl, plate or champs finals. Results were as follows:

**3rd place Pahi in J19 plate Final for W1**

**500m finals:**

**2nd place Tuahine in J16 Girls bowl final (3:32)**

**2nd place Hinemoana in J16 Girls plate finals (3:14)**

**3rd place Tamatoa in J16 Boys champ finals (2:45)**

**250m finals:**

**2nd Tuahine J16 Girls bowl final (1:18)**

**4th Hinemoana J16 Girls plate final (1:23)**

**1st Tamatoa J16 Boys champ final (1:03)**

After regionals we went to Turangawaewae in Ngaruawahia for Waka Kopapa which is similar to Waka Ama just without the ama to balance the Waka. You use your knees in the side of the waka to help keep it balanced. In the past years many of our students and students from other schools have managed to sink their waka by not working as a team to keep it balanced.

Results:

**1st place Hinemoana in 2nd Div Snr finals**

**2nd place Tamatoa in 1st Div Snr finals**

**3rd place Teina 1st Div Jnr Finals**

After Waka Kopapa the next event was nationals at Lake Tikitapu in Rotorua also known as the Blue Lake. During nationals we travel over to Rotorua every morning for four days to compete. Everyone loves going to nationals because everybody is so welcoming and gets along. It's always a great week away.

Results:

**500m:**

**Bowl semis - Tuahine, 3rd, 3:02;**

**Plate semis Hinemoana, 7th, 2:49;**

**Tamatoa, 4th, 2:27**

**250m:**

**Bowl semis - Tuahine, 1st, 1:15;**

**Hinemoana, 7th, 1:14;**

**Tamatoa, 4th, 1:03,**

The last regatta in Term 1 was the Taupo Te Wheke Challenge. We had to race 7 kilometres on Lake Taupo's Tapuacharuaru Bay. This is a great regatta with teams from all over the North Island in attendance. Results:

**2nd Tamatoa in J16 Boys**

**2nd Hinemoana in J16 Girls**

Tūturu ka whakamaua kia tina, tina, haumi ē, hui ē, tāiki ē!  
Let us be strong and resolved. Let us join together as one, in unity.

**Eastyn Corbett and Analise White**

# Basketball

It has been an awesome season for basketball - 83 players, 7 teams, including the Senior Boys who came 4th in the Lake Taupo Basketball Senior Mens Competition and the Junior A Boys, who came 2nd in the A grade Lake Taupo Basketball Secondary competition.

The Senior B Boys and the Junior Boys B team also played in the A grade. Kakariki were winners of the B grade this year, Whero came 3rd, then Pango and the Nui Girls team.

The Junior A and B Boys had four tournaments over the season outside of their Wednesday games - Hamilton, Rotorua, Taupo and Tauranga. In Tauranga the Junior Boys squad came 4th overall in the A Grade Regional Secondary Schools tournament. A big thank you to all the coaches and managers, Matua Kiri, Coach Dylan, Coach John, Coach Howard, Coach Lisa, Whaea Steph, Coach Mikaere, and Coach Joel, Jen & Julie. Mihi to our referees, Levi, Billi, Boston, Will.

A huge thanks to Joel for refereeing for us during tournament.

**Nā Stephanie Richards**

# Volleyball

Overall 2018 was one of the most successful seasons for our volleyball girls, starting strong in the BOP regional tournaments but unfortunately dropping to a 17th place finish. The team went on to nationals where they were placed 14th in division 3 (there are 6 in total) which is the highest the team has ever placed.

The Girls B played an exceptional season with a 27th placing.

The entire team has improved well over the season with huge potential for the future. From nationals both Renae Poupard Rupapera and Loea Feuillade were selected to attend the NZ U17 youth age performance camp.

Many of our players attended the BOP trials where Loea was selected for the U17 development team and Eilish Barrett and Shannon Poupard Rupapera were selected for the U20 development team.

The boys too had a very good season. However in Bay Of Plenty they ended up playing some of the best teams in both the region and country.

With a 17th placing in BOP they went on to nationals where the boys learnt from many different experiences and improved their game. The boys finished nationals on a well

deserved win against Te Puke putting them 13th in division 4. From nationals a vast number of boys trialed for Bay Of Plenty teams where both Alex Cordell and George Cook were successful enough to both make the U17 development team.

**Shannon Poupard Rupapera**

# Hockey 2nd XI Boys

by Aidan Winmill

Playing in the 2018 boys 2nd XI hockey team has been one of the most entertaining things I have done this year. Over the course of the season I was able to see the massive improvements made by everyone in the team. I got to watch the players with individual skills become strong team players who became a vital part of the larger group of the team. We had our good and bad days of hockey throughout the year but no matter what the score we kept our heads held up high and played to the best of our ability.

James Linehan - who currently plays for the Taupo Mens Team and previously played for Midlands, stepped forward from outside the school [with no family members associated with the Nui in any way] and offered to coach our team.

James was a very enthusiastic and knowledgeable hockey player who taught us so much over the season, enhancing each of our individual skills but also, more importantly, bringing us together as a unit. Without the coaching of such a skilful and down to earth guy we would have been a very different team. We played so well together, that we won the Bay of Plenty B Grade Competition.

This year was the first year that the boys Nui 2nd XI Hockey team had the opportunity to go to Tournament Week. The B Grade competition was held in Hamilton over five days at the end of the Hockey season. It was a very new experience for all but a few of the guys in the team so a lot of us didn't know what to expect. The hockey skills displayed from the various schools at the tournament was amazing, ourselves included, but the tournament was such a shock to the system that we didn't perform to the best of our ability. Even though our hockey games didn't go the way we'd hoped, we still kept our attitudes positive and grew closer as a team throughout the week. As a team we played mini golf, went bowling, played laser tag and

were privileged to watch Midlands Men vs Waikato Senior Men with Midlands winning 4-2. The whole week was a great experience and we are very appreciative to all the people who made it possible.

My time in the Nui 2nd XI Hockey team was a great experience. Over the three years I was captain and have learned many new skills and met a load of awesome people - this year being no different! There was great camaraderie amongst the team. Everyone was was friendly, positive and willing to contribute their energy into being the best hockey player they could be. It wasn't uncommon to see players in the team inspiring their fellow team mates to be their best and play their best.

I am sad to leave such an awesome group of guys and I hope they keep up the positive and driven attitude we have had over the past years.

# Swimming

**Johnson Bishop at the NZSS Championships in Wellington**

It has been another very successful year of racing for Taupo-nui-a-Tia College Swim Team.

The year kicked off with NZ Secondary Schools, Open Water Champs held here in Taupo. In the teams points competition both the boys and girls teams placed 2nd with multiple podium placing and a NZ Title.

In April we also hosted the BOP Secondary Schools Pool Champs. This was a fantastic event with a large number of schools competing. We were pipped at the post by Tauranga Boys College to place 2nd overall. Great racing from our team with many podium placings, including top Para Swimmer for Cuda Tawhai.

In May a small team travelled to North Island Secondary Schools in Palmerston North. Johnson Bishop won all three breaststroke titles, Nathan Rowland won the 200 breaststroke.

Our final competition for the year was NZ Secondary Schools in Wellington in September. Our team did themselves proud with fantastic results and a very high personal best rate. Cuda Tawhai, our para swimmer of the year, won gold in the 50 breaststroke and bronze in the 50 freestyle and 50 backstroke. Johnson Bishop won silver in the 100 and 200 breaststroke and bronze in the 100 Individual Medley.

Our MVP for the year was Sophie Howell who has made great progress. Johnson Bishop was our most valuable swimmer collecting the most points over the year.

Many thanks to all the support from our parents over the year.

It has been a great year.

# Triathlon

by **Hannah Howell**

Taupo-Nui-a-Tia's triathlon team has had a busy season with regional, national and international races. Our team has not only done well individually but as a team too.

The triathlon season consisted of many races the year.

Almost every week there was a new race or competition to attend. One of the main focuses was the Bay of Plenty Triathlon Champs. Here Hannah Howell won the U19 division, Alex Brackenbury and Ben Raven took 2nd and 3rd in the boys U16 and Sophie Howell also took third in the girls.

Ivan Abele and Tshai Hammersly had strong performances in the U16 and U14, just narrowly missing the podium. The team also attended the Waikato Bay of Plenty Team Triathlon Champs. Our U19 team of Seffie Figgins, Jack Edwards and Hannah Howell took the win in the mixed team division and

Tahlia Figgins, Sophie Howell and Melie- Rose Green took 3rd place in the U14 girls.

Our season also consisted of the Waikato Bay of Plenty Team and Individual Duathlon events. Alex gained second place in the U16 boys division while Ben came in 4th. In the team race, Hannah and Jack came in second in the mixed U19 as well as Sophie and Alex also gaining silver in the U16 mixed division.

Also this year a group of students travelled down to the New Zealand Secondary Schools Triathlon Champs in sunny Nelson which had an individual Triathlon and Aquathlon race. This team consisted of Alex Brackenbury, Ben Raven, Ivan abele, Hannah Howell and Sophie Howell. Here we had many top 10 finishes which is an incredible

achievement considering the sheer number of athletes in each field. Alex Brackenbury and Ivan Abele were also part of the Taupo team who won a silver medal in the U16

mixed team relay.

This is a new, exciting event that will be part of the 2020 Olympic Games.

Some of the major highlights this year included Alex Brackenbury gaining third place in the New Zealand Duathlon Champs as well as Ben Raven 5th and Ivan Abele 9th. Lily Raven had a strong performance coming 8th in the girls U14. We also had Hannah Howell winning the New Zealand Secondary Schools Off-Road Triathlon Champs and Joep Lenoir and Hannah Howell who being selected to represent New Zealand at the World Triathlon champs. Both Hannah and Joep had strong performances considering it is NZ's offseason. Hannah placed 34th and Joep

placed 58th in two strongly contested fields.

Lastly, Taupo-Nui-a-Tia's Triathlon Team would like to thank Tri-Sport Taupo for all the support in helping the team get down to Nelson. Also a huge thank you to the amazing Sam Bradley for being the best coach and mentor a team could ask for, Taupo-Nui-a-Tia College for allowing us the time off school to compete and providing the team with all these amazing opportunities.

But lastly a heartfelt thank you to all the parents for the support. The team could not have performed nearly as well if it wasn't for you guys driving us to training and races, making sure we are race ready and being the best cheerleaders. Thank you to everyone who has supported the Taupo-Nui-a-Tia Triathlon Team.

**Hannah Howell, Jack Edwards and Seffie Figgins.**

# U16 GOLD COAST RUGBY TOUR

After just over six months of fundraising efforts, the day arrived to leave NZ for the Gold Coast Rugby Carnival. Twenty excited young men arrived on time, and no one left their boots or mouth guards behind.

We departed the college shortly after 11:00 am, with two vans and one luggage trailer. The journey to Auckland was without any traffic delays and we arrived with plenty of time to check in, process through security, have dinner and board for the 7:00

pm take-off. There were some nervous boys who had never been on an airplane before.

We arrived in Brisbane and

were coached to our accommodation in the Gold Coast - Sea World Resort. Boys shared three to a room with all rooms in the same location, perfect for supervision.

Included in the package was an all you can eat buffet breakfast - the range of food catered for everyone.

After breakfast on the first day, the team headed down the road to a local park for a training session. Meanwhile camp Mums headed to the supermarket for a grocery shop. The weather was fine, but the wind a bit chilly. Lunch was had by the resort pool. In the afternoon we went into Seaworld theme park. The easy access from our accommodation was perfect, and during the week if there was time the boys were able to head back in for a couple of rides before dinner.

Saturday morning we repeated the training session, followed by some retail therapy. Culture Kings became the favourite destination, and the team featured on their social media posts. On the last visit our boys performed a haka outside the shop which was well received.

To finish off the second day we visited Wet n Wild. A couple of hours at this theme park was enough as by late afternoon a chill hit the air and it was time to head off.

Coaches and Manager attended the Carnival meeting at Surfers Paradise, gathering our team bag and goodies, including T Shirts and a tournament ball. The bag and ball were held aside for our own awards on the last night.

Game Day 1 - our first game was against Scotts College (Sydney). They were a very big team and dominated us in

the scrum. We lost both of our hookers to possible neck and back injuries. Fortunately, both were muscular and nothing broken. Two other players sustained injuries in this game. Despite the

size difference, our boys never gave up. With the score at 6-0 to Scotts, the game was delayed for some time, while one of our players

was taken by ambulance off the field. Eventually play resumed on another field. Quick action by Chase Williams scoring, with the kick converted tied the game 6-6. This remained the final score. Our whole team was ecstatic, as we had just drawn with last year's winning school. The heart the boys showed in this game was enormous, unfortunately we were the walking wounded team.

Game 2; played a couple of hours later, required even more "kia kaha". With only 15 players able to take the field. The boys never gave up against St Pats, Silverstream (Wellington), beating us 28-0, and eventually took the U16 title for the tournament

Monday was Beach Sports day, where rugby and netball teams come together and enjoy a range of games on the golden sand. While there was some reluctance to participate, by the end of the morning

Surf Clubs, Footy Clubs provided the team with amazing dining opportunities for dinner. The highlight at the Southport Sharks for a buffet meal, and then the final of the State of Origin league game. Some friendly banter between maroon supporters

the games were a highlight of the tour. The grand finale of the games is when all the NZ boys perform a haka in front of the Aussies. Our boys of course stole the show.

For the afternoon we went to Harbour Town for some retail therapy. After a couple of hours, they were all shopped out and so we headed back to Seaworld. Some went back into the theme park, others back to Culture Kings.

Game Day 2. Our first game vs Cranbrook did not go to plan. We were still without our injured players and while they played well, we lost 27-0. The final game vs Cyclones had us on a win 31-15. At the end of Day 2 we were placed 3rd, 1 win, 1 draw and 2 losses. Fortunately, we did not sustain any further injuries this day.

and blues was had. Wednesday the team headed to Movie World. The thrilling rides an adrenalin hit for all. (Note for next trip- increase cost and buy que jumper passes, with 1.5 hour waits for most rides).

Game Day 3. This day did not turn out to be the highlight expected. With the fourth place team defaulting our 3rd vs 4th playoff we had to find our own games to play. We played Cyclones in a 10 aside game and finally a mixed run around with boys vs each other. The final result for TNT U16 at the Gold Coast Carnival was 3rd place. We

then attended the prize giving, where Darjaedyn received the Barbarian jersey for his outstanding contribution to the team, both pre and on tour. It was more special that his Koro was there to celebrate with him.

The final carnival dinner was held at the Outback, Australia. The boys performed their synchronised swimming skit in front of 1000 people and really did our school proud. With the show and dance finishing at 11 pm, there was not a lot of sleep had before the coach picked us up at 4:30 am. The trip to Brisbane was quiet, and we had a safe flight home. Some parents had made their way to Auckland to great the team. I heard some boys slept for the next two days.

# Shooting

This year's season for Clay Target Shooting has been a very successful year for the sport. At the Regional shoots during the year we gained 3 bronze medals, 4 silver and 3 gold.

The North Island Secondary School Clay Target Championship was very successful. We were competing against over 200 other shooters.

We came away with a Silver in the Ladies team which consisted of Eilish Barrett, Ella Knight and Caitlin Simpson. Eilish Barrett won a bronze medal in the Ladies

Point Score.

Dylan Blake also went in a shoot off for the Boys Point Score just missing out on a medal and getting 4th.

The South Island and Nationals Clay Target Championship was a great

experience, travelling to Christchurch to compete against some of the best shooters in the country.

From the South Island Champs, Caitlin Simpson won a gold for Single Barrel. Nationals was a great day, Caitlin Simpson won the Girls Single Rise. Daniel

Martin got selected for the Eastern Regional Team, winning a silver medal in the Fish and Game Regions Shoot. Eilish Barrett, Ella Knight and Caitlin Simpson also got selected for the Eastern Regional Team.

None of this would have been possible without the hard work of our coach Jarrod Mudford, manager Trudy Milne and Emily Olsen.

**Eilish Barrett**

# Mountain Bike Team

by **Jak Brightwell**

The Mountain bike year starts for the team with the National School MTB champs which are held over a week along-side Crankworx in Rotorua in March. This comprises of XCO, Downhill and a Team XCO. They had a tough course designed for the XCO which challenged all the riders but we still had some great results.

**Coen Nicol 1st – U14 boys**

**Sean Onishi 2nd – U15 boys**

**James Officer 34th – U15 boys**

**Mia Cameron 2nd – U15 girls**

**Daniel Pietersma 16th – U16 boys**

**Corban Nicol 6th – U17 boys**

**Jak Brightwell 13th – U20 boys**

Mia Cameron and James Officer were the only 2 to tackle the downhill event with Mia taking 3rd – U15 girls and James 14th – U15 boys

The Junior XC team which consisted of Daniel Pietersma, Sean Onishi and Coen Nicol raced hard and took out 2nd place in a huge field in the U16 boys. Unfortunately the senior team was disqualified due to missing the change-over. Taupo Nui also took 3rd place on the points table out of 83 schools!

The Waikato BOP champs were held in April at Te Miro on the outskirts of Cambridge. The weather was great for a change and some fantastic results from our riders again.

**Mia Cameron 1st – U15 girls**

**Sean Onishi 1st – U15 boys**

**James Officer 3rd – U15 boys**

**Corban Nicol 4th – U17 boys**

**Daniel Pietersma 8th – U17 boys**

**Jak Brightwell 4th U19 boys**

The last big school race for the year is the North Island MTB Champs which are held in Tauranga in October. Held high up in the hills is the Summerhill MTB Park which overlooks the Tauranga Bay.

Again there was individual XC and team XC racing. These

results are from 2017 as this year's race is still to happen.

**Sophie Howell 6th – U14 girls**

**Daniel Pietersma 6th – U15 boys**

**Jak Brightwell 9th – U17 boys**

**Hannah Howell 5th – U17 girls**

For me this will be my last school race ever. I cannot believe that I have been competing in school races for the past 10 years and now it's time to go out into the real world. A huge thanks must go to our coach and team manager Paula Pietersma. Her organisational skills are second to none and I'm not sure how we would have managed without her through the season! Good luck to the up and coming MTB team. Don't forget to push your boundaries a little, and make the world proud of what you can achieve on two wheels.

**Coen Nicoll in action.**

# Girls 1st XI Football

2018 was a history making year for Girls Football at Nui. The 1st XI girls and coach Robbo decided to play in the Baywide League, travelling every 2nd weekend around the Bay of Plenty. This meant a massive commitment not only from the players, but our parents and Robbo for “transport”.

A memorable moment on our trip to Katikati was our van breaking down on the Kaimais and being stranded on the side of the road with a dog to boot waiting to be rescued..... we made it in time for kickoff and managed a draw – commitment right there! We had a fabulous season finishing 2nd on the Baywide table by 1 point and 2nd in the Rotorua/Taupo League (Wed games) and were invited to attend the NZSS Tournament week with our draw being held in Auckland.

The team stepped up again with extra trainings, fitness sessions and fundraising to help cover costs. The fundraising was a heap of fun. Tourney week was great with an adventure race down Queen Street in teams; ice baths; Krispy Kreme donuts; shopping; a wee bit more shopping; a cool afternoon at Rainbow’s End

and the odd football game thrown in; and oh, more donuts! The experience of tourney week was great and one that we will all remember. Robbo didn’t let us down and wore his bright yellow Mr Happy t-shirt! Shout out to the parents

who travelled to Auckland with us and all the parents for supporting the team in attending and fundraising.

This year’s team was quite a young team. I feel very privileged to have been the Captain for 2018. The girls were passionate, committed to the team and Coach Robbo, displaying outstanding sportsmanship every time they took to the field, be it for

training or a game.

Some personal thank you’s from the team. Bruce Putt for your help at trainings and refereeing our games – awesome ref! Bayleys Real Estate for our team uniform and gear bags. The Mole and Chicken Restaurant for a fabulous end of season celebration dinner complete with a courier delivery of Krispy Kreme donuts. The staff and students of TNT

who supported us. Our parents & families.

Robbo’s family for his tireless energy and time and Robbo – Mr Happy you rock!!!!

To my team. Girls you are great, thank you for being the awesome people you are – we have made lifelong friendships. Ruby, Muzza and I will be keeping an eye

on your progress next year. We are proud of you all. You all have the potential – don’t dream, have belief..... make it happen.1-2-3-NUI

**Tahlia Pook**

# Equestrian

Another extremely successful year for the Nui equestrian team with a total of 22 riders overall! BOP Show Jumping was our first event of the year on the 28th of February which was a lovely hot day and of the 15 riders we sent, one of our teams of 6 riders came home with 2nd place overall.

Our next event was the BOP intermediate and secondary gamblers day held on the 27th of March in Te Teko, another hot day for the 11 riders but it was definitely a day to remember - for all the wrong reasons - with two of our riders having some gnarly falls, however many team members were placed individually.

On the 11th of April we were off to Reporoa for the central plateau gymkhana which was typical Reporoa weather, incredibly cold. We sent 12 riders to this event and came home with 2nd overall with one of our riders, Greer McLaren, winning 2nd overall for top individual point scorer.

North Island secondary schools horse trials champs came next for 3 teams of 4 riders. It was a great weekend with two teams ending up 2nd overall in their respective divisions. Big thanks to Terrain Industries for sponsoring new saddle blankets that arrived just in time for Horse trials, the team looked very professional.

## 1st XI Football

This season for the First XI boys football was actually quite successful. We placed third overall in Waikato/BOP Baywide Youth Div 1 competition, winning a total of 7 games drawing 2 and losing 5 so a semi decent result for the boys this year. The team was mostly made up of younger boys from year 11 and 12 with no year 13s. Although a younger team in the division we still proved our worthiness in the competition, taking out the win against teams that have been together for numerous years. This gave many younger players in the team great experience of senior high school football. We would also like to thank numerous students from Germany for their assistance throughout the season, both the ones from the start and those who joined us later on in the season. Their help made a huge difference in our results. I know I can speak for the whole team - it was a great season of football and we represented the school's name well. Congratulations to Hamish Hart for Most Improved Player and KJay Morehu for Most Valuable Player. Congrats boys for the effort and commitment you put in throughout the whole season.

**KJay Morehu**

## Under 14s Rugby

Our Taupo-Combined under 14's team entered into the Bay of Plenty competition this year. Our first few games were a challenge as our team was made up of multiple schools including Tongariro, Te Kura O Whakarewa, Tauhara and Taupo-Nui-A-Tia College. We hadn't had many trainings due to change in coaches and lack of players. We struggled to make a team but got one in the end and were competitive against the likes of Mount Maunganui College. The last game of the season was against a touring Australian team from the Gold Coast. The opposition were a well organized competitive side but the day belonged to TNT with the team coming out winners 4 tries to 1. A great way to end the season on a positive note. We moulded well as a team and developed as the season went on. Our goals for next year would be to continue growing our team culture, work ethic and most importantly to play the sport we all love.

Huge thanks to our coach Henare Leach and our manager Lesley Purdon and also to the parents that took their time off to help our team.
