

Kathmandu Gear Up program

Expert advice and support.

The Kathmandu Gear Up program is designed to help your school group or organisation get the right outdoor, camping and travel gear.

Along with great discounts on Kathmandu gear, our dedicated team can help you prepare for all kinds of adventure with personalised information sessions. We'll share our expertise and experience on fitting backpacks, choosing the right footwear and sleeping bags – even technical information on equipment for specific activities.

If you haven't already, ask in-store about organising your personalised group information session today.
