2025 Year 9 Option Selection

Student Name:

Subjects		Compulsory
Compulsory	Mathematics	Full Year
	English	Full Year
	Social Studies	Semester
	Science	Semester
	HPE	Semester

Every student in Year 9 will study English and Mathematics all year. They will also study Social Sciences, Science and HPE (Health and Physical Education) for a Semester (2 terms).

All students will also study a Technology, an Art, and a Language for one Semester each. Please choose which subjects you would like to study from these faculties below. Use **1** for your first choice and **2** for your second choice, in each of the three faculties below (Technology, Languages and Arts)

For example, in Technology 1 might be Digital Technologies and 2 might be Fashion and Textiles.

Every endeavour will be made for you to receive your first choice in each faculty area and where this is not possible, we will use your second choice.
