

**Whanau: Please ensure that your child has completed their course selection online.  
This includes LEAVERS.**

**Instructions:** Some students may have already completed course selection, but this is a good opportunity to have a conversations with your child(ren) to discuss course selection options for 2025. Before you begin this process, make sure your child(ren) has/ have chosen ALL of their preferred subjects for next year and a backup subject.

- Year 10 select 5 options (languages counts as 2) Maths, English, HPE, Science and Social Sciences are compulsory
- Year 11 (3 compulsory - English, Mathematics & Science) – then a further 3 other subject options
- Year 12 (1 compulsory English) have 5 other subject options
- Year 13 have five options.
- Students **MUST select compulsory subjects first, prioritise further options and then select 1 backup subjects**
