A thank you from Beatrice's mother

Hi Aniek, I don't know what to say apart from THANK YOU 💕💕.

Thanks to all the colleagues, to the headmaster, to all the teachers and students. You've done an excellent job. Bea has been in a wonderful experience. She felt a member of the school and the community. She knew where to go and who to ask if she had any doubts or just to receive a lovely smile.

Thanks for all the activities, trips and adventures.

I am sure Bea will have all of you in her heart and memories. As a family we are really proud of her. I am sure we'll meet a new young lady citizen of the world in a few days and that's thanks to you!

Aniek you will always be in my heart!!
