COLLEGE

Instructions for Senior Subject Selection in 2027

Whanau: Please ensure that your child has completed their course selection online. This includes LEAVERS.

Instructions: Some students may have already completed course selection by selecting their favourites, but this is a good opportunity to have a conversation with your child(ren) to discuss course selection options for **2027**. Before you begin this process, make sure your child(ren) has/(have) chosen ALL of their preferred subjects for next year and a back up subject.

- **Going into Year 11** (3 compulsory - English, Mathematics & Science) - then a further 3 other subject options.
- **Going into Year 12** (1 compulsory English) have 5 other subject options.
- **Going into Year 13** have 5 options.
- Students **MUST** select compulsory subjects first, prioritise further options and then select 1 back up subject.

Student Instructions

- Go to the college website www.taupocollege.ac.nz
- Click on the Login tab
- Use your college network login, username and password.
- From the dashboard select the Option Selection icon.
- At the top of the screen, you will see Overview/Faculties/Courses for Me and My Courses.
- Select 'Courses for Me' to see what is available to you - read course requirements and assessments carefully
- Select My Courses when you are ready to make your selection
- Click on the "Select Course" to enter your selection
- **You must choose your compulsory subjects first**
- **Compulsory subjects include:**
Year 10: English, Mathematics, Health and PE, Science , Social Studies.
Year 11: English, Mathematics, Science.
Year 12: English.
- **You must select ONE backup course**
- Y11 & Y12 if you intend to leave school next year select LEAVE and complete the questions.

Subject Selection Information

- Your selections will be saved automatically and you can return and edit them at any stage up to **30 August 2026**.
- View your course selection from the website dashboard: Option selection/My Courses.

- Within My Selected Courses select Course Priority Order and adjust option priority order if required and save.
- Please check you would be able to meet the course expectations, that course pathways meet your needs and assessments lead to your future pathways.
- All course selections are pending and you will be required to attend an interview with a Dean or member of Senior Management before these are finalised from week 6.
