OVERALL EXPERIENCE

I really like Taupo.

Taupo expanded my values.

I was not good at getting involved with others before studying abroad. However, everyone has always welcomed me and kindly accepts me.

I gained the courage to try new things.

I also have a good relationship with my friends now.

Taupo offers many experiences that are different from what I experienced in Japan.

I did not often do outdoor activities in Japan. Parasailing, hiking, surfing, and kayaking... However, I am really glad that I had the opportunity to study abroad in Taupo.
